Re: Gap Funding for HTF Developments Due to Cost Increases- Final Policy

IHCDA is aware that cost increases are impacting the financial feasibility of National Housing Trust Fund (“HTF”) funded developments. In order to respond to these cost increases in a manner that serves our developer partners, IHCDA has issued the following final policy.

Note: Developments funded with Low Income Housing Tax Credits are not eligible to follow the policy outlined in this notice. LIHTC developments may request additional gap financing through the TCAP program, as described in [RED Notice 21-44](#).

NATIONAL HOUSING TRUST FUND GRANTS AS GAP FINANCING

IHCDA will offer increases of up to \$500,000 in additional HTF for developments with already approved National Housing Trust Fund (“HTF”) grants as defined below. Only developments that have already received HTF are eligible to request additional HTF through this policy.

Eligible Applicants

Developments with a combination of HOME and HTF awards or developments solely funded with HTF that either:

- 1) Have closed on all financing and are under construction but continue to experience a funding gap due to increased costs; or
- 2) Have not closed on financing and are experiencing a funding gap due to increased costs.

Ineligible Applicants

LIHTC developments are ineligible to request additional funding through this policy.

Eligibility Requirements

- For developments that have not closed on all financing, the closing must occur within 60 days of securing a commitment of additional HTF from IHCDA. No exceptions or extensions will be granted.
- Cost increases must be due to unforeseen occurrences that coincided with the onset of COVID-19.
- The development must continue to meet all HUD and IHCDA HTF policies, including per unit HTF subsidy limitations.
