Re: **Survey for 2025 Tax Credit General Set-Aside**

On May 8, 2024, IHCDA held a public hearing to receive input on the General Set-Aside for 2025. Additionally, IHCDA accepted public comments until May 17, 2024. Sharing the four most frequently provided ideas, IHCDA is asking our tax credit partners to decide the focus of the 2025 General Set-Aside by completing the survey provided at this [link](#). The idea with the most selections will be the focus of the 2025 General Set-Aside.

The survey will be open until May 28, 2024 and IHCDA will reveal the results the following week. At that time, IHCDA will release another survey to establish the preferred method of allocation (i.e., competitive utilizing the scoring criteria in the QAP vs. noncompetitive utilizing an RFP).
