**Re: 2026 Weatherization Policy & Procedure Manual Release**

---

**Notice: CP-26-09**

The 2026 IHCDA WAP Policy & Procedure Manual has been uploaded to the [WAP Website](#). The Manual is effective July 1, 2026.

2025 Program Guidance has been incorporated into the 2026 Manual. Future 2026 WAP Program Guidance will be uploaded to the WAP Website as necessary.

Companion documents have also been uploaded to the Website, including the following:

- 2026 WAP Low-Rise Multi-Family Manual, effective July 1, 2026.
- 2026 WAP Field Guide (pending approval; 2021 Field Guide remains in effect)
- 2026 WAP Energy Audit Manual (pending approval; 2024 Energy Audit Manual remains in effect)

Please note that as IHCDA does not yet have the 2026 State Plan Application Instructions; the timeline for submission, review, and approval remains unclear. The State Plan drafts on the WAP website are subject to change based on Department of Energy (DOE) terms and conditions, review and approval of Indiana's State Plan.

Any questions regarding the Manual or Companion documents may be directed to [IWx@ihcda.in.gov](mailto:IWx@ihcda.in.gov).
