Re: Community Program Notices Launch

Notice: CP-26-01

IHCDA is pleased to announce the launch of Community Programs Notices; these notices will provide critical updates from the IHCDA Community Programs Team, covering numerous programs, including, but not limited to the Weatherization Program (Wx), Energy Assistance Program (EAP), Community Services Block Grant (CSBG), Individual Development Accounts (IDA), Neighborhood Assistance Program (NAP), Lead Hazard Reduction Program (LHR), and the Healthy Homes Repair Program (HHRP).

IHCDA staff will utilize these Notices to ensure our many partners are aware of changes in federal, or state guidance or regulations, application notices and deadlines, grant reporting deadlines, public comment periods, public hearings, training opportunities and requests for qualifications or proposals.

To subscribe, or unsubscribe to these Notices, please visit the [IHCDA Subscription page](#).

Notices will also be available on the [CP Notice page](#).
