**Program Guidance: CSBG-2022-01.1**

Effective December 4, 2021, the following IHEDA guidance is in effect.

A second Continuing Resolution (CR), *H.R. 6119: Further Extending Government Funding Act*, was signed by President Biden on December 3, 2021. This CR extends the use of 200% FPL for CSBG Funding as stated in the first CR for 2022.

Similarly, this guidance extends the ability of Indiana **CAAs to use the 200% FPL for any income verification or re-certification done for CSBG-funded services through February 18, 2022.**

This impacts all active CSBG awards, including the following:

- CS-021-xxx
- CS-CV-020-xxx

IHCDA continues to not have a state-required process for verifying income, nor is there a requirement for how often an individual or household receiving services needs to be re-certified.

Please direct all questions regarding this guidance to Tina Darling at [csbg@ihcda.in.gov](mailto:csbg@ihcda.in.gov).
