Commercial and Office Space: IHCD Rental Housing financing resources cannot be used to finance commercial space within a Development. Income generated and expenses incurred from this space, though, must be factored into IHCD's underwriting for the Development as a whole when reviewing the application. If the Development involves the development of commercial space, the applicant will need to provide separate annual operating expense information and a separate 15-year proforma for the commercial space. Be sure to label which forms are for the housing and which ones are for the commercial space. Also separate out all development costs associated with the commercial space on line M of the Development Costs chart.

9. Tax-Exempt Bond Financing/Credit Enhancement

a. If Multi-family Tax Exempt Bonds are requested, list percent such bonds represent of the aggregate basis of the building and land of the development: 54%

If this percentage is 50% or more , a formal allocation of credits from IHCD is not necessary (although the development must satisfy and comply with all requirements for an allocation under this Allocation Plan and Section 42 of the Code. The Issuer of the bonds must determine the maximum amount of credits available to the development which, just as for developments which do need allocation, is limited to the amount of credits necessary to make the development financially feasible). AT THE TIME OF SUBMITTING THIS APPLICATION, YOU MUST PROVIDE IHCD WITH AN OPINION OF COUNSEL, SATISFACTORY TO IHCD, THAT YOU ARE NOT REQUIRED TO OBTAIN AN ALLOCATION OF TAX CREDITS FROM IHCD AND THAT THE DEVELOPMENT MEETS THE REQUIREMENTS OF THE ALLOCATION PLAN AND CODE.

If the Development is eligible for Historic Tax Credit, include a complete breakdown of the determination of eligible basis for the Historic Credit with the Application. If the Development's basis has been adjusted because it is in a high cost area or qualified census tract, the actual deduction for the Historic Cost items must be adjusted by multiplying the amount by 130%. This does not apply to Historic Tax Credits.

2. Determination of Reservation Amount Needed

The following calculation of the amount of credits needed is substantially the same as the calculation which will be made by IHCD to determine, as required by the IRS, the maximum amount of credits which may be reserved for the Development. However, IHCD at all times retains the right to substitute such information and assumptions as are determined by IHCD to be reasonable for the information and assumptions provided herein as to costs (including development fees, profits, etc.) sources of funding, expected equity, etc. Accordingly, if the development is selected by IHCD for a reservation of credits, the amount of such reservation may differ significantly from the amount that is computed below.

1. This Application form, provided by IHCDCA to applicants for funding, tax credits and tax-exempt bonds, including the sections herein relative to basis, credit calculations and determinations of the amount of the credit necessary to make the development financially feasible, is provided only for the convenience of IHCDCA in reviewing the reservation requests. Completion hereof in no way guarantees eligibility for the credits or bonds or ensures that the amount of credits applied for has been computed in accordance with IRC requirements; any notations herein describing IRC requirements are offered only as general guides and not as legal advice;
2. The undersigned is responsible for ensuring that the proposed Development will be comprised of qualified low-income buildings; that it will in all respects satisfy all applicable requirements of federal tax laws and any other requirements imposed upon it by the IHCDCA in respect of the proposed Development and bond issue; and that the IHCDCA has no responsibility for ensuring that all or any funding allocated to the Development may be usable or may not later be recaptured;
3. For purposes of reviewing this Application, IHCDCA is entitled to rely upon the representations of the undersigned as to the inclusion of costs in eligible basis and as to all of the figures and calculations relating to the determinations of qualified basis for the development as a whole and for each building therein individually as well as the amounts and types of credit applicable thereto, and that the issuance of a reservation based on such representations in no way imposes any responsibility on the IHCDCA for the accuracy of these representations or their compliance with IRC requirements;
4. IHCDCA may request or require changes in the information submitted herewith, may substitute its own figures which it deems reasonable for any or all figures provided herein by the undersigned and may reserve credits, if any, in an amount significantly different from the amount requested;
5. The IHCDCA offers no advice, opinion or guarantee that the Applicant, the Issuer or the proposed development will ultimately qualify for or receive low-income housing tax credits, Multi-family tax-exempt Bonds, HOME funds or section 501(c)3 Bonds;
6. Allocations/reservations of funding are not transferable without prior written notice and consent of the IHCDCA;
7. If the IHCDCA believes, in its sole discretion, that the Development will not be completed or that any condition set forth in the Application will not be satisfied within the required time period, or will become unsatisfied or will otherwise cause the Development to fail to qualify for a Bond allocation, the Issuer agrees that the IHCDCA may rescind and retrieve any funds allocated to the Issuer. The Issuer acknowledges that all terms, conditions, obligations and deadlines set forth in this Application constitute conditions precedent to any allocation of funds, and the Development's failure to comply with any of such terms and conditions shall entitle the IHCDCA, in its sole discretion, to deem the allocation canceled by mutual consent. After any such cancellation, the Issuer acknowledges that neither it nor the Development will have any right to claim funds. The IHCDCA reserves the right, in its sole discretion, to modify and/or waive any such failed condition precedent, so long as such waiver does not violate any Code requirements relating to the Development;
8. The requirements for applying for funding and the terms of any reservation or allocation thereof are subject to change at any time by federal or state law, federal, state or IHCDCA regulations, or other binding authority;
9. Reservations may be subject to certain conditions to be satisfied prior to allocation and shall in all cases be contingent upon the receipt of the required Application and reservation fees;
10. Applicant is submitting this Application on behalf of Owner, whether Owner has already been formed or is a to-be-formed entity;
11. Applicant represents and warrants to IHCDCA that it has all necessary authority to act for, obligate and execute this Application on behalf of itself and Owner, and to engage in all acts necessary to consummate this Application. Applicant further represents and warrants to IHCDCA that the signatories hereto have been duly authorized and that this Application shall be the valid and binding act of the Applicant, enforceable according to its terms;

W. Alternative Sources of Funding

In recent years, requests for HOME and Development Fund funds has greatly exceeded the allocation of said funds. As a result of this high demand, the Authority anticipates some developments will score high enough to be recommended for Rental Housing Tax Credits but due to funding constraints will not be eligible for HOME or Development Fund funds. To ensure the Authority consistently reviews all of the applicants' options, IHEDA requests you select one of the following:

- Option 1: Identify alternative source(s) of funding that will replace IHEDA HOME/Development Fund funds. (Identify alternative source(s) in chart below)
- Option 2: The development team has exhausted all options to identify an alternative source of funds without success. To that regard, we understand that without IHEDA HOME/Development Fund funding your development will not be financially feasible. Thus, it will not meet Additional Threshold item E.2(e)(4).

Option 1 - Required Documentation:

All sources of financing identified below must be supported with appropriate documentation satisfactory to the Authority as identified in the latest version of the QAP. Attach required documentation to this form.
