

YOUR HOME IS IMPORTANT.

It's where your most precious memories are made. Unfortunately, thousands of Hoosiers are at risk of losing their homes to foreclosure. Indiana's Hardest Hit Fund Unemployment Bridge Program offers individuals who are unemployed help in paying their mortgage by providing assistance of up to \$18,000. Funded by the U.S. Department of the Treasury, the program also helps formerly unemployed individuals catch up on their payments if they fell behind.

The Hardest Hit Fund will cover the mortgage, including principal, interest, taxes and insurance (PITI), for eligible unemployed homeowners while they are seeking re-employment or cover the past-due amount for formerly unemployed individuals who have returned to work.
