

RESOURCES FOR FAMILIES

If your home was built before 1978, there is a good chance it has lead-based paint. The Indiana Lead Protection Program can help protect your family from lead in your home.

About the Program

- **FREE** lead testing and lead hazard control, including health and safety repairs, to qualifying homes
- The program is available to qualified homeowners, rental occupants, and rental property owners
- Lead-hazard repair work may include windows, doors, painting, and special cleaning
- There is **NO COST** whether you own or rent your home
- Rental property owners must also agree to participate in the program before work can begin on your unit

To qualify, you must meet all the requirements listed in Option 1 or Option 2

Option 1 (Single Family and Multi-Family Units)

Your home or rental units was built prior to 1978

A child under the age of 6 lives at or frequently visits **OR** where a pregnant female lives

Family income is <80% Area Median Income

Your home or rental unit is insured for the replacement cost of the home

Property taxes are current

Your home is located in Evansville, Indianapolis, Fort Wayne or South Bend

This option may include a Healthy Homes Assessment to address some electrical repairs, leaks, faulty gas appliances, deteriorated steps, pest infestation, or other health and safety issues

Option 2 (One or Two Family Units Only)

Your home or rental units was built prior to 1978

An individual under 19 years of age or pregnant female lives at or frequently visits your home *and* is eligible for or enrolled in Medicaid or CHIP

Property taxes are current

Your home is located in East Chicago, South Bend, Gary, Hammond, Michigan City, or Marion County

This option will include full replacement or enclosure of components having lead-based paint and address other minimal health and safety issues

If you meet the requirements in either option, it's easy to get started!
