**Notice: PN-20-36**

Notice is hereby given that the Indiana Office of Community and Rural Affairs (OCRA) plans to amend the 2019 Action Plan for Housing to respond to community needs associated with the COVID-19 pandemic. This amendment adds OCRA's proposed long-term actions to respond to COVID-19 effects.

This document concerns programs that are funded through the U.S. Department of Housing & Urban Development (HUD) under Title I of the Housing & Community Development Act of 1974 as amended. The amendment establishes spending priorities for \$12.6 million in funds, bringing the total to approximately \$51 million in community development funds related to the CARES Act for the Community Development Block Grant Program.
