Re: Notice of Public Hearing – Weatherization Assistance Program State Plan 2021

---

Federal regulations related to the Department of Energy (DOE) funding requests require states, such as Indiana, that are applying for [Weatherization Assistance Program](#) funding, to prepare a State Plan as part of the application process. Another part of this process is providing the public an opportunity to review and comment on the contents of the State Plan.

IHCDA is holding a public hearing on **Wednesday, January 27, 2021** to receive comment and testimony regarding the State of Indiana’s Weatherization Assistance Program (WAP) State Plan. The hearing will be virtual only and begin at 2:00 p.m. Eastern Time. Please email [ekrauser@ihcda.in.gov](mailto:ekrauser@ihcda.in.gov) to request a video link for the meeting, or call in to (audio only) +1-317-552-1674 and use the passcode 602841941# to attend.

The State Plan will be made publicly available at least one week prior to the public hearing by January 20, 2021 on the [Weatherization page](#) on IHCDA’s website.

Written comments are invited until 5:00 p.m. Eastern Time January 27, 2021.
