Re: Notice of Letter of Intent – CoCBu ilds Competitive Application

Notice is hereby given that the Indiana Housing and Community Development Authority (IHCD A) is presenting a Letter of Intent (LOI) seeking partners to assist in its application to the U.S. Department of Housing and Urban Development competitive grant application.

The Continuum of Care (CoC) Bu ilds (CoCBu ilds) NOFO targets efforts within CoC geographic areas to address and reduce persons experiencing homelessness by adding new units of permanent supportive housing (PSH) through new construction, acquisition, or rehabilitation through one-time CoCBu ilds awards under the CoC Program. Through the CoCBu ilds NOFO, HUD is encouraging CoCs to leverage funds provided for construction, acquisition, or rehabilitation of new PSH units with other funding sources to maximize the amount of housing that can be directed to meeting the needs of individuals and families experiencing homelessness.

Partners are being sought who meet the requirements specified in the LOI. IHCD A hopes to partner with multiple projects in the completion of this grant application. Responses to the LOI will be accepted no later than October 14, 2024.
