Re: Request for Proposals – Weatherization Deferral Program Operator

Notice: PN-26-26

The Indiana Housing and Community Development Authority seeks to engage with a Program Operator to address health and safety issues, such as mold and asbestos, that prevent the completion of residential weatherization and energy efficiency measures under the Department of Energy Weatherization Assistance Program (WAP).

The Program Operator will administer the Deferral Program in up to two geographies as part of a Weatherization Deferral Pilot, working in partnership with WAP Local Service Providers. IHEDA is making available \$1,000,000 for this pilot.

The Scope of Services in the [RFP](#) outlines the requested responsibilities of the Operator.

Questions about this RFP should be submitted no later than July 10, 2026 by 5:00PM ET; Responses to the RFP are due by 5:00pm on ET July 24, 2026.
