**Re: LIHTC Online Application Updates**

---

**Notice: RED-26-22**

Several updates to the LIHTC online tax credit application are scheduled to go live within the next two weeks. These updates include the addition of a new section for scoring and updates and revisions to the threshold section of the application.

IHCDA plans to host a walk-through session at the beginning of July to highlight what has changed. Meetings details will be confirmed in a future RED Notice.

If you are currently working on a noncompetitive 4% application and plan to submit before these changes are scheduled to go live, please reach out to Hayden Wiesinger at [hwiesinger@ihcda.in.gov](mailto:hwiesinger@ihcda.in.gov) or (317) 234-0132 to get direction on how to proceed.

Like last year, IHCDA will require the excel Form A to be submitted as part of the application submission. If issues are found with utilizing the online application, IHCDA will use the Form A as the primary reference point when determining Threshold deficiencies. For more information on the full Submission Guidelines, please refer to Schedule G of the 2026-2027 Qualified Allocation Plan.
