Advanced Interviewing for Law Enforcement Investigators Training Program

Ellettsville, IN Dec 10-12

THE FEDERAL LAW ENFORCEMENT TRAINING CENTERS PRESENTS

Advanced Interviewing for Law Enforcement Investigators Training Program - Modified

The Advanced Interviewing for Law Enforcement Investigators Training Program - Modified (AILEITP_M) is designed to provide the students with an array of science-based techniques to use during the course of various interview and interrogation situations they will face on a daily basis. This training program will teach students how to obtain information effectively through various ethical and legal interview and interrogation methods, techniques, and theory. The student will learn the advantages of effective communication as well as ways to detect deception. Interview methodologies and theories will be presented along with various techniques of approaching victim, witness, and suspect interview situations.
