

Muscatatuck Cyber Academy at Muscatatuck Urban Training Center

Environmental Understanding Form

In Consideration of being permitted to access the Muscatatuck Urban Training Center (MUTC), the undersigned student recognizes and acknowledges that MUTC is a realistic, simulated environment, designed to create a battlefield, disaster site or other warfare type conditions in which the student's participation or presence within MUTC makes them a part of the MUTC environment. Students shall understand and follow the rules below and the directions and guidelines of MUTC cadre or other designated on-site authority for their own safety and that of other participants and to maintain the realistic environment.

- ✓ All areas within MUTC are potentially training areas. Students shall recognize this possibility and act in accordance with instructions given for their conduct. Training should be anticipated at all hours, but predominately between 7 AM to 8 PM. Buildings not assigned to students may be "off limits."
- ✓ All students must sign a Release Indemnification form. Students must also provide a government issued photo ID and emergency contact information prior to participation on MUTC.
- ✓ Students may receive a Rules of Engagement brief or other direction prior to training or participating in a training event and shall abide by all of the stated rules.
- ✓ Students shall not post video or photos of activities outside of Muscatatuck Cyber Academy activities from MUTC to the internet without permission.
