

INDIANA DEPARTMENT OF TRANSPORTATION

Anthony P. Marino

State Bridge Inspection Program Manager

Tony Marino is the State Bridge Inspection Program Manager. He has been with INDOT for over six (6) years and previously served as Bridge Inspection Area Engineer and Vincennes District Bridge Inspection Supervisor. Tony is responsible for all bridge inspection administration and operations in Indiana, and ensuring that all bridge inspections are executed in compliance with the FHWA 23 Metrics for the Oversight of the National Bridge Inspection Program. Tony is also responsible for the administration and operations for Indiana's large culverts and other assets.

Tony earned his BS in Civil Engineering from the University of Illinois in 1989, his Master of Structural Engineering from the Illinois Institute of Technology in 1999, and his Master of Business Administration from the University of Southern Indiana in 2016. He became a Registered Professional Engineer in the State of Indiana in 2004.

Tony can be contacted through email at AMarino@indot.in.gov or by phone at (812) 681-1032. His office address is 16601 Boyle Lane, Evansville, IN 47725.
