

Scoring Guidance for INDOT Professional Service RFP Items: Sign-up and Specifics

For those needing to become INDOT approved scorers, you may now access the training via the [SuccessFactors Learning](#) page.

Once logged in, both internal and external users can access the training by searching for “Scoring Guidance” in the Search for Learning box in the top left of the Learning page.

The **Scoring Guidance for INDOT Professional Service RFP Items** is a self-guided training that can be started at any time; however, it must be completed by the date provided by the RFP Administrator. If the training is not completed by the date provided, you will not be able to score the item as intended.

This training is designed for those wanting to become INDOT Approved Scorers, but can be taken by anyone interested in learning more about scoring INDOT RFP items.

For the Scoring Guidance for INDOT Professional Service RFP Items Training you must create an account on the [INDOT Training Portal](#). For help with account creation or other issues related to the INDOT Training Portal, review the [Quick Step Guide](#) or reach out to the INDOT eLearning team at eLearning@indot.in.gov.

Scoring Guidance for INDOT Professional Service RFP Items Training: Overview

Scoring Guidance for INDOT Professional Service RFP Items Training introduces those wanting to become INDOT Approved Scorers to the requirements, regulations, and practices of scoring RFP items through several online modules. The modules and exam require an estimated 20 minutes for completion.

Once completed, you will be added to the INDOT Approved RFP Scorer Listing.
