

PROJECT NOTICE SELECTION OF SHORT-LISTED PROPOSERS

SAFER DRIVE 65 PROJECT FIXED-PRICE PUBLIC-PRIVATE AGREEMENT (DESIGN-BUILD DELIVERY)

July 10, 2024

Summary:

On May 8, 2024, the Indiana Department of Transportation (INDOT) posted a Request for Qualifications (RFQ) to entities (Proposers) interested in submitting statements of qualifications (SOQs) to design and build the I-65 Added Travel Lanes (ATL) Safer Drive 65 Project (Project) in Clark County, Indiana and Scott County, Indiana, through a “Public-Private Agreement” under IC 8-15.7-5 (hereafter Design-Build Agreement (DBA)) with INDOT. On June 17, 2024, in response to the posted RFQ, INDOT received two SOQs. The department has completed its evaluation of the SOQs received and has developed the following short-list of Proposers it is inviting to continue in the procurement process. The teams that have been invited to continue with the procurement process are:

- E&B Paving / Milestone JV
- Walsh Construction Company II, LLC
