Workspace Disclaimer

The INDOT CAD workspace data for MicroStation, InRoads and ProjectWise users provided is an accumulation of work and not a final product. The INDOT workspace is continually a work in progress and is being provided on an "as is" basis. By acceptance of this data, the user agrees not to transmit this data or provide access to it, or any part of it, to another party unless the user shall include with the data a copy of this disclaimer. INDOT makes no guarantee or warranty concerning the accuracy of information contained in the data. INDOT further makes no warranties, either expressed or implied as to any other matter whatsoever, including, without limitation, the condition of any product, or its fitness for any particular purpose. The burden for determining fitness for use lies entirely with the user. Although these data have been processed successfully on the computers of INDOT, no warranty, expressed or implied, is made by INDOT regarding the use of these data on any other system, nor does the fact of distribution constitute or imply any such warranty. In no event shall INDOT have any liability whatsoever for payment of any consequential, incidental, indirect, special, or tort damages of any kind, including, but not limited to, any loss of profits arising out of or reliance on the data or arising out of the delivery, installation, operation, or support by INDOT. The use of any of these documents, applications, or files for work which is under contract with INDOT, does not relieve the contractor from any obligations assumed by the contract, or from complete and proper fulfillment of the terms of the contract, nor does it entitle the contractor to compensation for damages or loss which could be attributed to such use.
