Subject: Environmental Services Division, Environmental Policy Office Updates - Commitments Memo
Date: Tuesday, September 24, 2019 11:26:16 AM

All,

The Environmental Commitments [Memo](#) (dated September 17, 2019) has been updated (Effective October 1, 2019). Refer to the [Environmental Policy Website](#) for the most recent version. Some of the updates to the memo includes having the commitments in the environmental document match those in the commitments database and updated language from resource agencies. This memo replaces the previous commitments memo dated September 13, 2010.

New environmental document submittals after October 1, 2019 should use the new commitments memo. If there are additional commitments that frequently come up from resource agencies that are covered by the Design Manual or a Standard Specification, please feel free to send them to [Brandon Miller](#). A list will be compiled and the memo will be updated as appropriate. Thank you.
