

WELCOME

Virginia Avenue and Fletcher Avenue Bridge Improvements

PROJECT OVERVIEW

INDOT is replacing the decks on both the Virginia Avenue and Fletcher Avenue bridges over I-65 and I-70 in downtown Indianapolis. Construction is expected to begin in early 2027 and last up to two years.

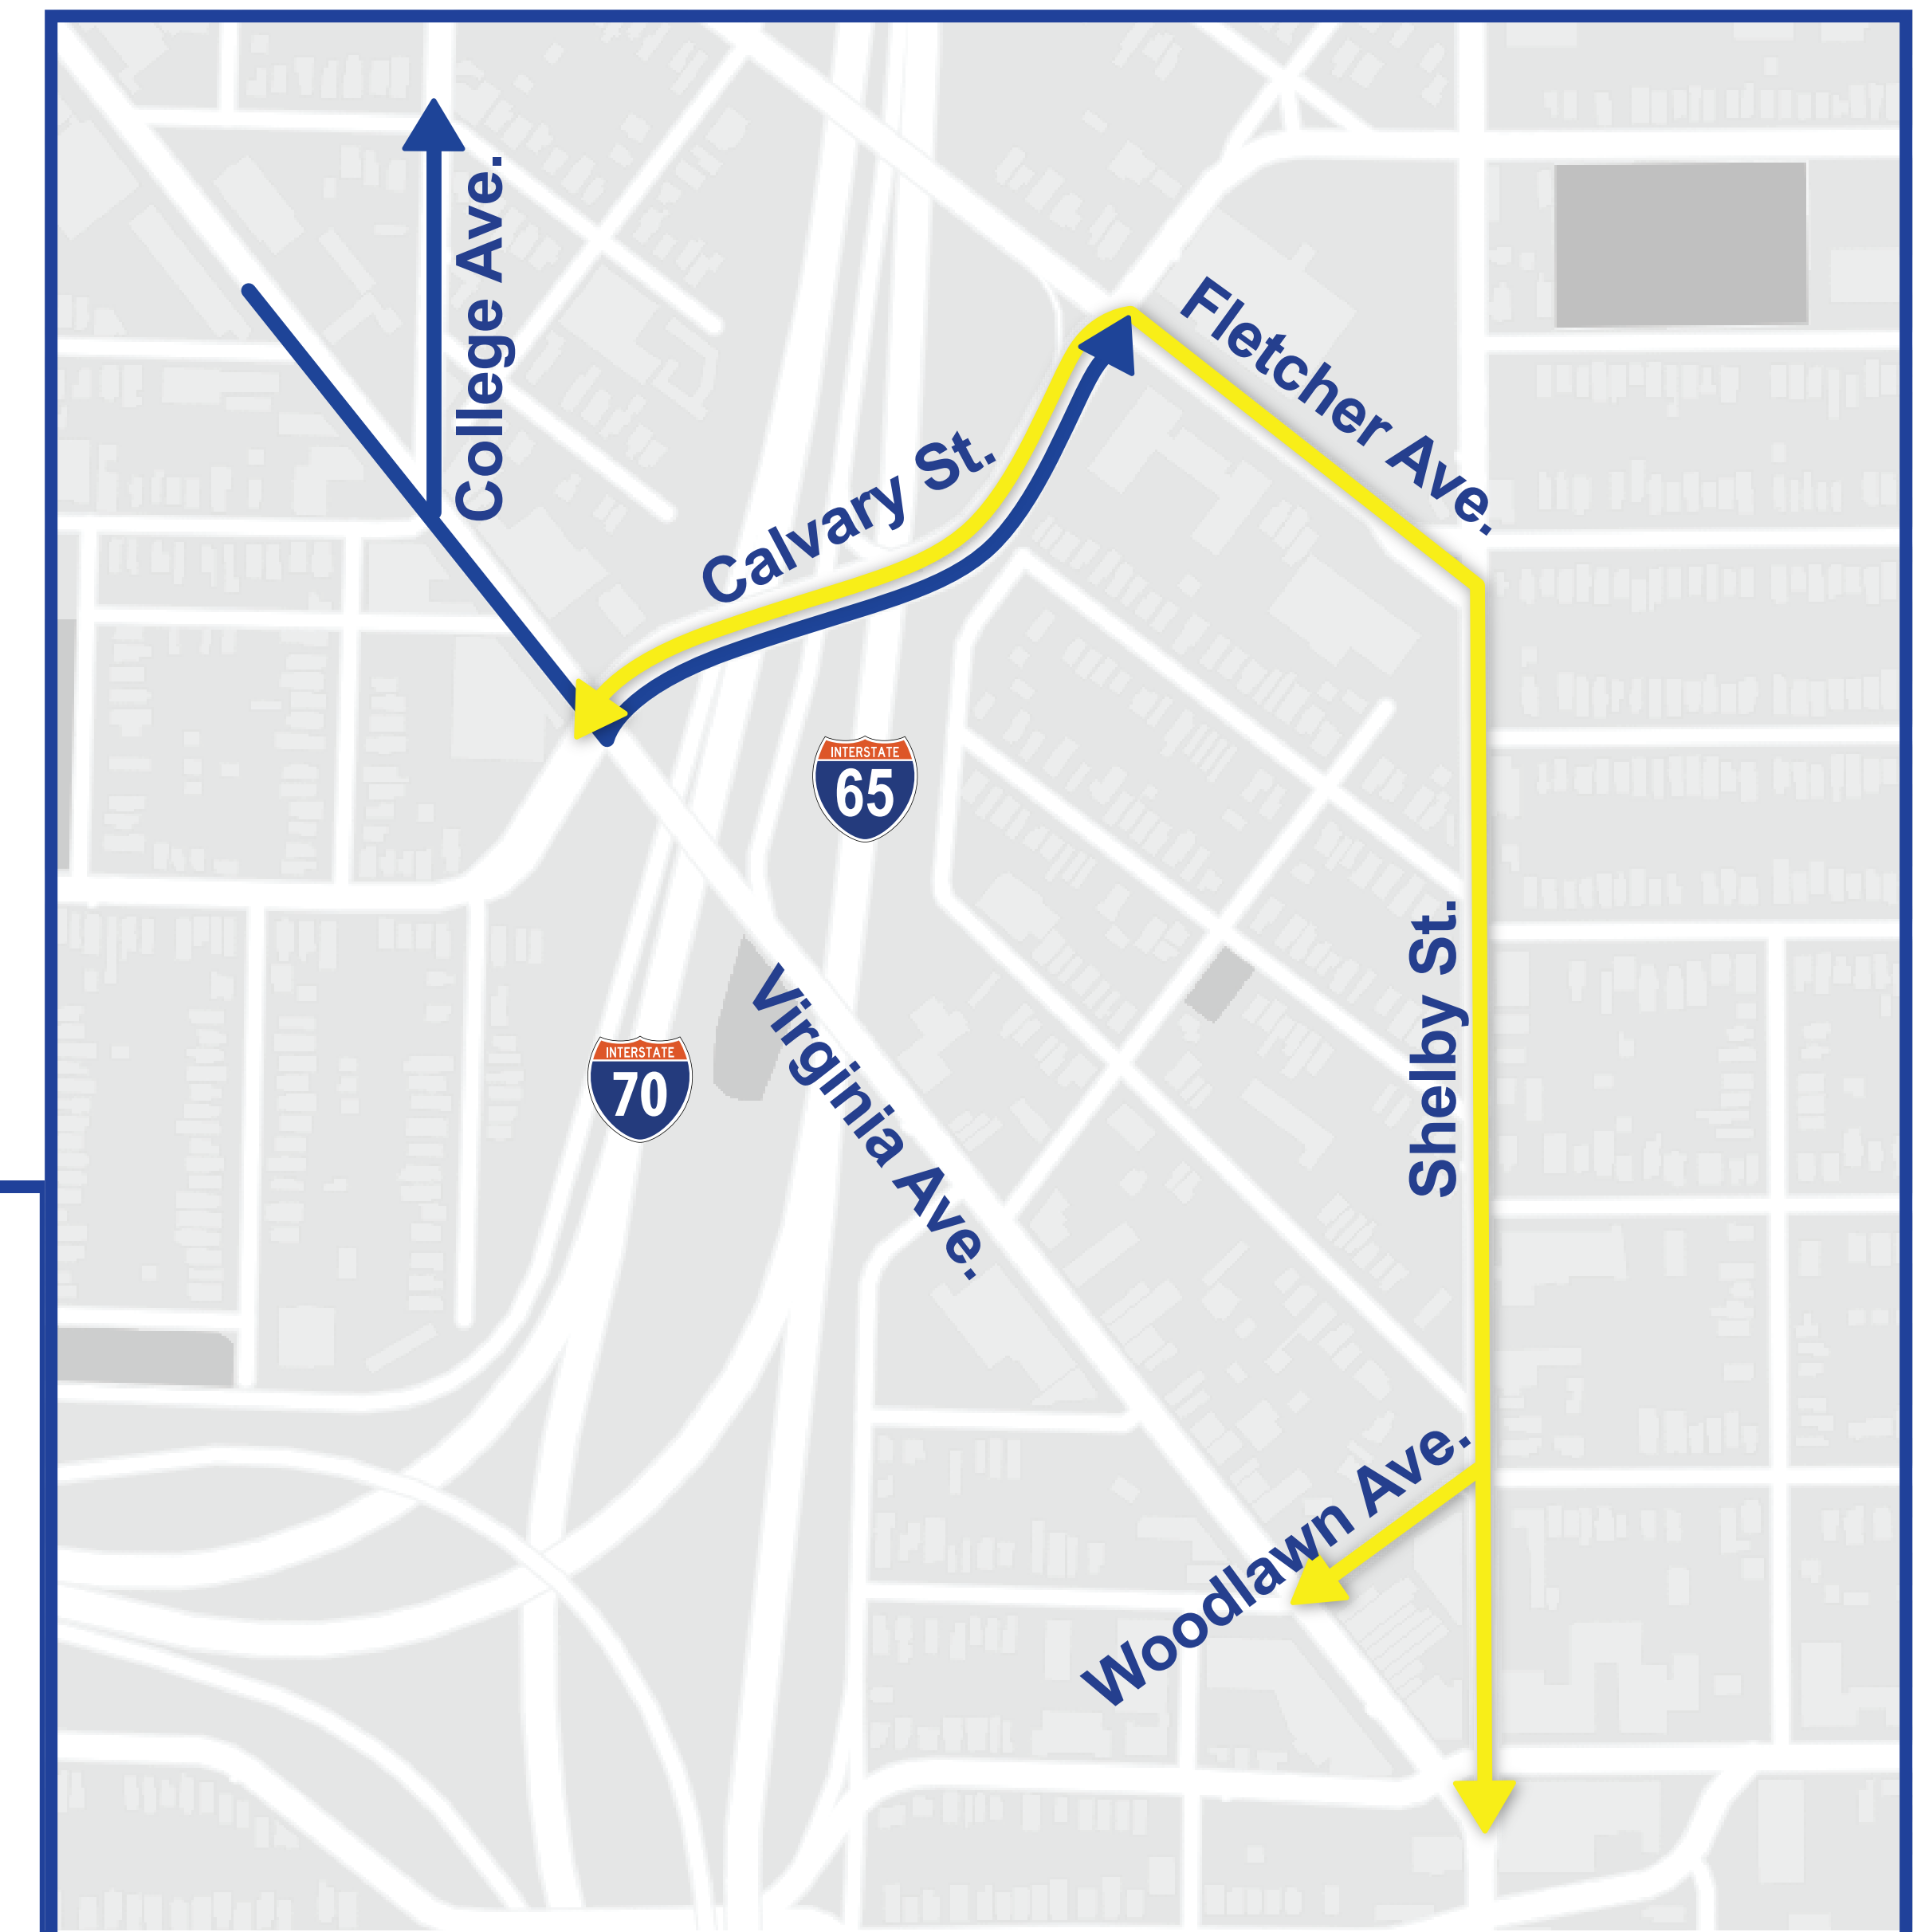

IMPROVEMENTS INCLUDE:

- 🚧 New bridge decks and railings
- 🚧 Repaired concrete, sidewalks, and barriers
- 🚧 Improved safety features (Virginia Avenue bridge)
- 🚧 Updated traffic detectors (Fletcher Avenue bridge)

WHAT TO EXPECT

- Virginia Avenue bridge closes first for improvements; Fletcher Avenue bridge to follow in 2028 (tentative)
- Each bridge closure to last about eight months
- Indianapolis Cultural Trail temporarily closed with pedestrian detour
- Signed detours to guide cars, bikes and pedestrians

VIRGINIA AVENUE DETOUR:

Calvary Street, Fletcher Avenue, Shelby Street/Woodlawn Avenue

FLETCHER AVENUE DETOUR:

Virginia Avenue/College Avenue, Calvary Street
