RE: FY2010 - FY2013 Indiana State Transportation Improvement Program (INSTIP)
administrative modification #1

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP administrative modification **from the Area Plan Commission of Tippecanoe County (Lafayette MPO)**. The Administrative Modification is dated January 25, 2010. We concur with this administrative modification and it will be reflected by reference in the 2010-2013 INSTIP.

We have determined that the administrative **modification** is: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

Larry Buckel
