RE: FY2008 - FY2011 Indiana State Transportation Improvement Program (INSTIP) Transit Amendment #46
(ARRA projects)

Dear Administrators;

Please find attached Metropolitan Planning Organization TIP amendments which need to be approved and included into the FY 2008 Indiana Transportation Improvement Program. We will reflect by reference the 2009–2013 federal aid projects covered by this approval in our 2008-2011 INSTIP. The amendment resolution numbers is listed below:

- Kokomo/Howard County Governmental Coordinating Council – Resolution 2009-16
- Increase operating from \$750,000 to 800,000 for CY 2010, 2011 in FTA Section 5307 Funds (Additional \$50,000)
- Purchase 2 less than 30 foot transit vehicles for 200,000 in ARRA funds (\$200,000)
- Operating Assistance for CY 2010 with ARRA funds (\$89,000)

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

We request your review and approval of the subject amendment. Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

Larry Buckel
