Dear Mr. Bales:

The proposed project to Heavy Haul a Transportation Corridor with the alternative routes that you have worked up in Utica Township, Clark County, Indiana (Des No 1382612), as referred to in your letter received January 31, 2018, will cause a conversion of prime farmland.

The attached packet of information is for your use completing Parts VI and VII of the AD-1006. After completion, the federal funding agency needs to forward one copy to NRCS for our records.

If you need additional information, please contact Rick Neilson at 317-295-5875.

Sincerely,

JILL M. REINHART Acting State Conservationist
