RE: FY2012 - FY2015 State Transportation Improvement Program (STIP) Transit Amendment # 1

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP amendment which must be approved and included into the FY 2012 State Transportation Improvement Program. We will reflect by reference the 2012 – 2015 federal aid project covered by this approval in our 2012 - 2015 STIP. The amendment is for the Michiana Area Council of Governments (MACOG) and the resolution number is 27-11 (attached). The new project is for Section 5307 funds. The project is listed below:

Section 5307 Capital Projects - FY 2012

Project Description	DES NUMBER	Original Federal	Revised Federal	Difference
Passenger Bus Shelters	1173307	\$0	\$42,933	\$42,933

We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

We request your review and approval of the subject amendment. Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

Larry Buckel
