Please check one of the following:

☐ No, we will not have any changes

☐ Yes, we have changes

Before we can make any changes, you **MUST** include items 1-3 for each submission. For annexations with mileage changes, you **MUST** include items 1-4. If you only have an annexation with no changes to mileage, item 4 is all you need to submit.

- ☐ 1.) Copy of a current (scaled) map(s) depicting the roads that need to be added and/or removed **OR** a shapefile or file geodatabase. If none of these are available, provide a copy of measurable (Scaled) plats depicting the roads that need added/removed.
- ☐ 2.) Copy of meeting minutes at which a governing body accepted the roads into your system. If unavailable, please provide a letter stating the acceptance of the roads **signed by an elected official**. An example acceptance letter is available if needed.
- ☐ 3.) A list of each road and its requested mileage.
- ☐ 4.) Copy of annexation ordinance (s) establishing the new corporate limits along with a shapefile and/or file geodatabase of the correct corporate limits. If a shapefile is not available provide a drawing of the correct corporate limits on a scaled map.

Note: Please keep us current with your corporation boundaries whether or not there are roads involved.
