Consultant Nondiscrimination

A. This Contract is enacted pursuant to the Indiana Civil Rights Law, specifically including IC 22-9-1-10, and in keeping with the purposes of the Civil Rights Act of 1964 as amended, the Age Discrimination in Employment Act, and the Americans with Disabilities Act. Breach of this covenant may be regarded as a material breach of this Contract, but nothing in this covenant shall be construed to imply or establish an employment relationship between the State and any applicant or employee of the CONSULTANT or any subcontractor.

Under IC 22-9-1-10 CONSULTANT covenants that it shall not discriminate against any employee or applicant for employment relating to this Contract with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee's or applicant's race, color, national origin, religion, sex, age, disability, ancestry, or status as a veteran.

B. The CONSULTANT understands that INDOT is a recipient of federal funds. Pursuant to that understanding, the CONSULTANT agrees that if the CONSULTANT employs fifty (50) or more employees and does at least \$50,000.00 worth of business with the State and is not exempt, the CONSULTANT will comply with the affirmative action reporting requirements of 41 CFR 60-1.7. The CONSULTANT shall comply with Section 202 of executive order 11246, as amended, 41 CFR 60-250, and 41 CFR 60-741, as amended, which are incorporated herein by specific reference. Breach of this covenant may be regarded as a material breach of Contract.

It is the policy of INDOT to assure full compliance with Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act and Section 504 of the Vocational Rehabilitation Act and related statutes and regulations in all programs and activities. Title VI and

EXHIBIT A

KYTC: _____
INDOT: _____

related statutes require that no person in the United States shall on the grounds of race, color or national origin be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. (INDOT's nondiscrimination enforcement is broader than the language of Title VI and encompasses other State and Federal protections. INDOT's nondiscrimination enforcement shall include the following additional grounds: sex, sexual orientation, gender identity, ancestry, age, income status, religion, disability, income status, limited English proficiency, or status as a veteran.)

C. During the performance of this Contract, the CONSULTANT, for itself, its assignees and successors in interest (hereinafter referred to as the "CONSULTANT") agrees to the following assurances under Title VI of the Civil Rights Act of 1964:

1. **Compliance with Regulations:** The CONSULTANT shall comply with the regulations relative to nondiscrimination in Federally-assisted programs of the Department of Transportation, Title 49 CFR Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract.
2. **Nondiscrimination:** The CONSULTANT, with regard to the work performed by it during the Contract, shall not discriminate on the grounds of race, color, sex, sexual orientation, gender identity, national origin, religion, disability, ancestry, or status as a veteran in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The CONSULTANT shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulation, including employment practices when the Contract covers a program set forth in Appendix B of the Regulations.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations either by competitive bidding or negotiation made by the CONSULTANT for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the CONSULTANT of the CONSULTANT's obligations under this Contract, and the Regulations relative to nondiscrimination on the grounds of race, color, sex, sexual orientation, gender identity,

national origin, religion, disability, ancestry, income status, limited English proficiency, or status as a veteran.

4. **Information and Reports:** The CONSULTANT shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Indiana Department of Transportation and Federal Highway Administration to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a CONSULTANT is in the exclusive possession of another who fails or refuses furnish this information, the CONSULTANT shall so certify to the Indiana Department of Transportation or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance:** In the event of the CONSULTANT's noncompliance with the nondiscrimination provisions of this Contract, the Indiana Department of Transportation shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to: (a) withholding payments to the CONSULTANT under the Contract until the CONSULTANT complies, and/or (b) cancellation, termination or suspension of the Contract, in whole or in part.

6. **Incorporation of Provisions:** The CONSULTANT shall include the provisions of paragraphs a through f in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

The CONSULTANT shall take such action with respect to any subcontract or procurement as the Indiana Department of Transportation, the Federal Highway Administration, or the Office of Federal Contract Compliance Programs may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the CONSULTANT becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the CONSULTANT may request the Indiana Department of

Transportation to enter into such litigation to protect the interests of the Indiana Department of Transportation, and, in addition, the CONSULTANT may request the United States of America to enter into such litigation to protect the interests of the United States of America.

(10) Consultant Indemnification: The Project Consultant shall provide indemnification for INDOT and KYTC and any insurance policies shall include KYTC as an additional insured.

(11) LAW OF INDIANA TO GOVERN: Any Agreement executed by INDIANA with a consultant pursuant to this Agreement shall be construed in accordance with and governed by the laws of the State of Indiana. It is agreed that any action at law, suit in equity, or other judicial proceeding to enforce or construe this Agreement, or regarding its alleged breach, in which INDOT or any of their agents, representatives or employees is a named party, shall be instituted only in the appropriate jurisdiction of Indiana.

(12) State Sovereignty: The States have entered into this present Agreement as sovereign states and not as principal and agent or as a joint venture. Nothing herein shall be construed as consent by either state to suit in the courts of the other state, or waiver of that state's sovereign immunity or rights under the Eleventh Article of Amendment to the Constitution of the United States. This Agreement does not grant any rights to any party except INDOT and KYTC. Nothing in this Agreement shall be deemed to create or give rise to any right of action in, or any liability to, any third party claiming to have suffered a loss, damage or injury by virtue of any alleged failure by either party hereto to comply with the terms of this Agreement.

(13) Kentucky Affidavit for Bidders Offerors and Contractors: The procurement document for the Project Consultant shall provide that the Project Consultant complete and provide to KYTC the Kentucky Affidavit for Bidders Offerors and Contractors.

(14) NONSOLICITATION: The States agree that as a part of this Agreement, the Project Consultant shall be required to warrant in a signed writing that it has not employed or retained any company or person, other than a bona fide employee working for the Project Consultant, to solicit or secure the Project Agreement with INDOT, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift, or any other consideration, contingent upon or resulting from the award or making of that Project Agreement with INDOT. For breach or violation of this warranty, both parties shall have the right to annul this Agreement without liability, or at its discretion, to deduct from the fee or consideration or otherwise recover the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

(15) FHWA APPROVAL: Both parties understand that this Agreement and the Project Agreement is contingent upon Federal Highway Administration (FHWA) approval of funding and administration of the Project.

(16) AUDIT OF RECORDS: INDOT and the Project Consultant must maintain all records relating to this Agreement and the Project Agreement, including but not limited to invoices, payrolls, etc. These records must be available at all reasonable times at no charge to the States, FHWA, and/or either of their designees or representatives during the period of this Agreement and any extension thereof, and for three (3) years from the date of final payment made under the Project Agreement.

(17) DBE REQUIREMENTS: The States have mutually agreed that there will be no required goal for participation by "disadvantaged business enterprise" (DBE) firms, as that term is defined and used in Title 49 CFR Part 26, included in INDOT's proposal for the Project work to be performed. However, nothing in this section shall preclude either State from establishing goals for work to be executed in that particular State.

(18) WORK PRODUCT: Copies of all documents, reports, exhibits, etc. produced by the Project Consultant at the direction of the States shall be provided to the States at no charge.

(19) CONFIDENTIALITY: The States and the Project Consultant shall not disclose to third parties confidential factual data or information except as may be required by statute, ordinance, or order of court, or as authorized by the States. Each of the States, and the Project Consultant, shall notify the other State's representatives immediately of any request for such information.

(B) Neither this Agreement nor any rights, duties, or obligation described herein shall be assigned by either party hereto without the prior express written consent of the other party.

(C) This Agreement constitutes the entire agreement between the parties. It may only be amended, supplemented, or modified by a written document executed in the same manner as this Agreement was approved.

(D) It is understood by all parties that this Agreement is contingent upon FHWA approval of funding and administration of the Project.
