Do you live in a multifamily dwelling?

Researchers at Purdue University want to **hear from you** for an INDOT-funded study on EV charging in Indiana.

Survey Link:

https://purdue.ca1.qualtrics.com/jfe/form/SV_2uknKljsH1Wb2DA

We are looking for Indiana residents who live in **multifamily dwellings, such as apartments, condominiums, townhouses, duplexes, and similar housing**, to share their experiences and perspectives of EV charging access.
