

INDIANA DEPARTMENT OF TRANSPORTATION

Public Information Meeting Scheduled for State Road 2 at Larrison Blvd. in St. Joseph County, Indiana

Des. Nos. 2401424, 2401505, 2401506

The Indiana Department of Transportation (INDOT) will hold a public information meeting on Thursday, April 24, 2025, regarding proposed improvements to the intersection of S.R. 2 and Larrison Boulevard/Strawberry Road in St. Joseph County. The meeting will provide an opportunity for the public to learn more about the project, view preliminary designs, ask questions, and offer feedback to the project team.

The proposed project would convert the existing intersection with stop signs to an interchange. The project goal is to make the intersection more efficient and safer for motorists in anticipation of increased traffic in the area. The project also includes the widening of Larrison Boulevard and Strawberry Road in the interchange, plus the construction of new bridges necessary for the overpass. Additional design elements may be added as the project develops.

The meeting will take place at:

New Prairie High School

5333 N Cougar Rd, New Carlisle, IN 46552 (use north parking lot/Door W6)

Doors Open: 5:00 p.m. CDT / 6:00 p.m. EDT

Presentation: 6:00 p.m. CDT / 7:00 p.m. EDT

The meeting will be open-house style so people can view displays, talk with project personnel, and provide comments. A handout and comment form will be available. At 6:00 CDT / 7:00 EDT, a brief presentation will be shared followed by more time at the displays with the project team.

If you are unable to attend in person, the presentation, handout, and comment form will be available on the INDOT website following the meeting.

With advance notice, reasonable accommodations will be made for persons with disabilities or Limited English Proficiency (LEP) requiring auxiliary aids, language interpretation services, or document translation. Any accommodation requests should be directed to:
