Re: FY2024-2028 Indiana STIP Amendment 22-FTA-03, dated May 22, 2024

Dear Mr. Nunnally:

We have reviewed the State Transportation Improvement Program (STIP) amendment request you submitted via correspondence dated May 22, 2024. This request adds projects pursuant to changes made to the State Transportation Improvement Program (STIP) for the:

- Michiana Area Council of Governments (MACOG)
- Northeastern Indiana Regional Coordinating Council (NIRCC)
- Area Plan Commission of Tippecanoe County (APCTC)

We have determined that the amendment to the STIP is financially constrained and consistent with the relevant statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450 and are exempt from the air quality conformity determination process. The project additions are approved for the FY2024-2028 STIP.

If you have any questions concerning this STIP amendment approval, please contact Cecilia Crenshaw-Godfrey at (312) 705-1268.

Sincerely,

Anthony Greep
Director, Planning & Program Development
