Dear Mr. Castell:

On September 12, 2024, the Lafayette MPO Policy Board amended the FY 2024-2028 TIP by Resolution T-24-14. Per your review, it was noted that the resolution did not show the TPIN number for the new Low- and No- grant and the capital projects where all funding was removed where not shown. The Policy Board approved an updated resolution, T-24-14B, on October 10, which include both pieces of information. The resolution is attached.

We will update the TIP document and notified you when this occurs. Please call if you have any questions or need additional information.

Sincerely,

Ryan O'Gara
Executive Director
