Re: FY2026-2030 Indiana STIP Amendment 26-FTA-03, dated March 3, 2026

Dear Mr. Nunnally:

We have reviewed the State Transportation Improvement Program (STIP) amendment request you submitted via correspondence dated March 3, 2026. This request adds projects pursuant to changes made to the State Transportation Improvement Program (STIP) for the:

- Bloomington - BMCMPPO- Bloomington Monroe County Metropolitan Planning Organization

We have determined that the amendment to the STIP is financially constrained and consistent with the relevant statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450 and are exempt from the air quality conformity determination process. The project additions are approved for the FY2026-2030 STIP.

If you have any questions concerning this STIP amendment approval, please contact Cecilia Crenshaw at (312) 705-1268.

Sincerely,

Anthony W Greep
Director, Planning & Program Development
