The DMMPC has one project proposed as an amendment to the FY 2026-2030 DMTIP for consideration. The project has been determined as exempt by the DMMPC MPO.

Our proposed schedule for this amendment is:

8/29/25: ICG email communication informal request (this email)

9/6/25: deadline for ICG questions or comments on the included project amendment

9/8/25: anticipated date to present to Transportation Policy Committee for vote

In lieu of a conference call, I am providing the following amendment request for the project listed below and it's exempt status.

Please consider this an informal request for review and comment regarding the need for air quality consultation for the proposed amendment. We are requesting that you reply to this email by 9/6/25 if you have any questions, comments, or would like to request a conference call to discuss further. Per the September 2022 Interagency Consultation Group Conformity Consultation Guidance Document, no response can be interpreted as concurrence.
