

DELAWARE-MUNCIE METROPOLITAN PLAN COMMISSION

Delaware County Building, 100 West Main Street, Room 206, Muncie, IN 47305

TRANSPORTATION POLICY COMMITTEE

OF THE

DELAWARE-MUNCIE METROPOLITAN PLAN COMMISSION

RESOLUTION 25-13

WHEREAS, the Delaware-Muncie Metropolitan Plan Commission (DMMPC) is the Metropolitan Planning Organization (MPO), as designated by the Governor of the State of Indiana, for the Muncie Urbanized Area; and

WHEREAS, the Transportation Policy Committee (TPC) is the policy committee of the Metropolitan Planning Organization involved in the transportation planning process for the Muncie Urbanized Area; and

WHEREAS, the proposed amendment to the FY 2026-2030 DMTIP to add FY 2026 RW to INDOT Project DES #2200995, District Wide Pedestrian Crossings, in the amounts of \$32,000 federal HSIP funds and \$4,000 state funds was requested by INDOT; and

WHEREAS, INDOT Project DES #2200995 was previously submitted to the Interagency Conformity Group (ICG) for confirmation of exempt status with an exempt status concurrence date of August 27, 2024; and

WHEREAS, the proposed amendment above was presented to and approved by the Transportation Policy Committee (TPC) on August 20, 2025.

NOW, THEREFORE, BE IT RESOLVED by the Transportation Policy Committee of the DMMPC as follows:

Section 1. That the FY 2026-2030 DMTIP be amended to add FY 2026 RW to INDOT Project DES #2200995, District Wide Pedestrian Crossings, in the amounts of \$32,000 federal HSIP funds and \$4,000 state funds as shown on the attached Exhibit A.

Approved this 20th day of August, 2025.

Good morning,

FHWA has reviewed and has no questions at this time. We have no comments on the content within the project list, however FHWA recommends all MPOs use table formatting suggested by INDOT for project lists. While not a requirement to use the same formatting as INDOT, it will be beneficial in speeding up future reviews.

Please let me know if you have any questions.

Best,

Subject: ICG Communication

Hello ICG members,

The DMMPC MPO will be presenting the SFY 2026-2030 TIP Project List for consideration by the Delaware-Muncie MPO Transportation Policy Committee on 3/27/25. They will be adopting the document contingent on no public comments that require significant changes to the document. All Projects on the attached list have been determined exempt by the DMMPC.

Note: Per Sarah Doyle, Des# 2300704 is not adding capacity, only short turn lanes.

Our proposed schedule for this amendment is:

3/18/25: ICG email communication informal request (this email)

3/18/25: Deadline for ICG questions or comments on the included project amendment

3/27/25: Amendment voted on at Transportation Policy Committee Meeting

In lieu of a conference call, I am providing the following amendment request for the projects listed below and their exempt status.

Please consider this an informal request for review and comment regarding the need for air quality consultation for the proposed amendment. We request that you reply to this email by 3/27/2025 if you have any questions or comments or request a conference call to discuss further. Per the September 2022 Interagency Consultation Group Conformity Consultation Guidance Document, no response can be interpreted as concurrence.

RESOLUTION 25-22

WHEREAS, the Delaware-Muncie Metropolitan Plan Commission (DMMPC) is the Metropolitan Planning Organization (MPO), as designated by the Governor of the State of Indiana, for the Muncie Urbanized Area; and

WHEREAS, the Transportation Policy Committee (TPC) is the policy committee of the Metropolitan Planning Organization involved in the transportation planning process for the Muncie Urbanized Area; and

WHEREAS, the proposed amendment to the FY 2026-2030 DMTIP to add FY 2026 PE to INDOT Project DES # 2201151, I-69 to 3.76-mile W of SR 3 (CR 400 S), in the amounts of \$26,000 federal HSIP funds and PE \$3,000 State funds was requested by INDOT; and

WHEREAS, INDOT Project Des # 2201151 was submitted to the Interagency Conformity Group (ICG) for confirmation of exempt status with an exempt status concurrence date of March 25, 2025; and

WHEREAS, the proposed amendment above was approved by the Transportation Policy Committee by e-vote concluding on September 12, 2025.

NOW, THEREFORE, BE IT RESOLVED by the Transportation Policy Committee of the DMMPC as follows:

Section 1. That the FY 2026-2030 DMTIP be amended for INDOT Project Des# 2201151, I-69 to 3.76-mile W of SR 3 (CR 400 S), to add FY 2026 PE in the amounts of \$26,000 federal HSIP funds and PE \$3,000 State funds as shown on the attached Exhibit A.

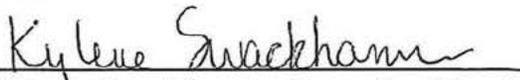

Approved this 12th day of September, 2025.

Paige,

DES 2500043 is a IDIQ contract for Bridge repair Work. It will not be adding capacity to the roadway, just quick repairs to maintain the surface or any component of the structure for safety and commuter safety.

EXTERNAL EMAIL: This email was sent from outside your organization. Exercise caution when clicking links, opening attachments or taking further action, before validating its authenticity.

Hello ICG members,

The DMMPC has 5 INDOT project amendments to the FY 2026-2030 DMTIP for consideration by the DMMPC Transportation Policy Committee will vote on June 18, 2025, All of these projects have been determined as exempt by the DMMPC MPO.

Our proposed schedule for this amendment is:

6/13/25 – ICG email communication informal request (this email)

6/20/25 – Deadline for ICG questions or comments on the included project amendment

6/18/25- Amendment will be voted on by the Transportation Policy Committee to vote

In lieu of a conference call, I am providing the following amendment requests for the projects listed below and their exempt status.

Please consider this an informal request for review and comment regarding the need for air quality consultation for the proposed amendment. We are requesting that you reply to this email by 6/20/25 if you have any questions, comments or would like to request a conference call to discuss further. Per the September 2022 Interagency Consultation Group Conformity Consultation Guidance Document, no response can be interpreted as concurrence.

DELAWARE-MUNCIE METROPOLITAN PLAN COMMISSION

Delaware County Building, 100 West Main Street, Room 206, Muncie, IN 47305

TRANSPORTATION POLICY COMMITTEE

OF THE

DELAWARE-MUNCIE METROPOLITAN PLAN COMMISSION

RESOLUTION 25-20

WHEREAS, the Delaware-Muncie Metropolitan Plan Commission (DMMPC) is the Metropolitan Planning Organization (MPO), as designated by the Governor of the State of Indiana, for the Muncie Urbanized Area; and

WHEREAS, the Transportation Policy Committee (TPC) is the policy committee of the Metropolitan Planning Organization involved in the transportation planning process for the Muncie Urbanized Area; and

WHEREAS, the proposed amendment to the FY 2026-2030 DMTIP to add INDOT Project DES #2400590, Other Type Project (Miscellaneous), Various locations statewide soil nail repair on MSE failures – Central Districts, FY26 CN in the amounts of \$1,600,000 Federal STBG funds and \$400,000 State matching funds was requested by INDOT; and

WHEREAS, INDOT Project Des #2400590 was previously submitted to the Interagency Conformity Group (ICG) for confirmation of exempt status with an exempt status concurrence date of June 20, 2025.

WHEREAS, the proposed amendment above was presented to and approved by the Transportation Policy Committee (TPC) by e-vote concluding on September 2, 2025.

NOW, THEREFORE, BE IT RESOLVED by the Transportation Policy Committee of the DMMPC as follows:

Section 1. That the FY 2026-2030 DMTIP be amended to add INDOT Project DES #2400590, Other Type Project (Miscellaneous), Various locations statewide soil nail repair on MSE failures – Central Districts, FY26 CN in the amounts of \$1,600,000 Federal STP funds and \$400,000 State matching funds as shown in Exhibit A.

Approved this 2nd day of September, 2025.

EXTERNAL EMAIL: This email was sent from outside your organization. Exercise caution when clicking links, opening attachments or taking further action, before validating its authenticity.

The DMMPC has three projects proposed as amendments to the FY 2026-2030 DMTIP for consideration. These project have been determined as exempt by the DMMPC MPO.

- Our proposed schedule for this amendment is:
- 9/04/25: ICG email communication informal request (this email)
 - 9/11/25: deadline for ICG questions or comments on the included project amendment
 - 9/12/25: anticipated date to present to Transportation Policy Committee for vote

In lieu of a conference call, I am providing the following amendment request for the project listed below and it's exempt status.

Please consider this an informal request for review and comment regarding the need for air quality consultation for the proposed amendment. We are requesting that you reply to this email by 9/11/25 if you have any questions, comments, or would like to request a conference call to discuss further. Per the September 2022 Interagency Consultation Group Conformity Consultation Guidance Document, no response can be interpreted as concurrence.

Paige,

INDOT started an initiative in 2022 to purchase Limited Access Right of Way (LARW) near Interstate interchanges where there currently is inadequate coverage. The initiative aims to protect the safety and operation of the interchange terminal intersections by ensuring that access points from future developments on nearby properties are installed the proper distance away from the interchange.

I-69 at SR 332 (MM 241) in Delaware County is one of the interchanges that is being evaluated as a part of this initiative. Currently, the interchange only has LARW along SR 332 for roughly 100 feet west of the interchange and 430 feet east of the interchange. It is desirable to have between 600' and 1300' of LARW protection (See IDM 48-6E and 48-6F).

The project proposes to purchase LARW along SR 332 from where it currently ends for an additional 1100 feet on the west side of the interchange. LARW will also be purchased on the east side of the interchange in the northeast quadrant for approximately 790 feet. Two utility access points west of the interchange and the drive in the southwest quadrant will all remain open but with a minimal width of 20 feet. Lee Pit Rd will remain open. The three drives for the abandoned

gas station in the northeast quadrant will be closed and the property will be acquired. There is currently a turn lane for this property along EB SR 332. This turn lane would need to be hatched out with pavement markings. The agricultural drive east of the gas station will remain open with a minimal width of 20 feet. No LARW will be purchased in the southeast quadrant. All other access points within this distance will be removed as a part of the project and LARW fence will be installed.

Two abandoned gas station parcels will be acquired. All other impacted parcels will still have access to SR 332 or to another public road.

DELAWARE-MUNCIE METROPOLITAN PLAN COMMISSION

Delaware County Building, 100 West Main Street, Room 206, Muncie, IN 47305

TRANSPORTATION POLICY COMMITTEE

OF THE

DELAWARE-MUNCIE METROPOLITAN PLAN COMMISSION

RESOLUTION 25-43

WHEREAS, the Delaware-Muncie Metropolitan Plan Commission (DMMPC) is the Metropolitan Planning Organization (MPO), as designated by the Governor of the State of Indiana, for the Muncie Urbanized Area; and

WHEREAS, the Transportation Policy Committee (TPC) is the policy committee of the Metropolitan Planning Organization involved in the transportation planning process for the Muncie Urbanized Area; and

WHEREAS, the proposed amendment to the FY 2026-2030 DMTIP to INDOT Project DES #2301081, SR 3 at CR 700 S 0.41mi, to add FY 2027 RW in the amounts of \$77,000 federal HSIP funds and RW \$8,000 State matching funds was requested by INDOT; and

WHEREAS, INDOT Project Des #2301081 was previously submitted to the Interagency Conformity Group (ICG) for confirmation of exempt status with and exempt status concurrence date of March 27, 2025; and

WHEREAS, the proposed amendment above was reviewed and approved by the Transportation Policy Committee at their meeting on October 15, 2025.

NOW, THEREFORE, BE IT RESOLVED by the Transportation Policy Committee of the DMMPC as follows:

Section 1. That the FY 2026-2030 DMTIP be amended for INDOT Project Des#2301081, SR 3 at CR 700 S 0.41mi, to add FY 2027 RW in the amounts of \$77,000 federal HSIP funds and RW \$8,000 State funds as shown on the attached Exhibit A.

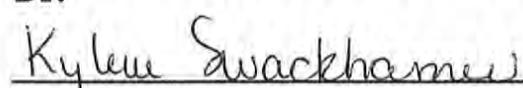

Approved this 15th day of October, 2025.

ATTEST:

Kayla Shawver, Transportation Planner
DMMPC – Muncie MPO

Good afternoon Kayla,

Will the intersection improvement projects (Des #s 2301079, 2200062, & 2301082) be adding any lanes or capacity?

Thank you,

Hello ICG members,

The DMMPC has four INDOT project amendment to the FY 2026-2030 DMTIP for consideration by the DMMPC Transportation Policy Committee. These projects do not add capacity and have been determined as exempt by the DMMPC MPO.

Our proposed schedule for this amendment is:

12/10/25: ICG email communication informal request (this email)

12/17/25: Deadline for ICG questions or comments on the included project amendment

12/18/25: Preliminarily voted on, contingent on ICG approval

In lieu of a conference call, I am providing the following amendment request for the projects listed below and their exempt status.

Please consider this an informal request for review and comment regarding the need for air quality consultation for the proposed amendment. We request that you reply to this email by 12/17/2025 if you have any questions or comments or request a conference call to discuss further. Per the September 2022 Interagency Consultation Group Conformity Consultation Guidance Document, no response can be interpreted as concurrence.

Hello ICG members,

The DMMPC has 1 INDOT project amendment to the FY 2026-2030 DMTIP for consideration by the DMMPC Transportation Policy Committee. This project does not add capacity and have been determined as exempt by the DMMPC MPO.

Our proposed schedule for this amendment is:

12/11/25: ICG email communication informal request (this email)

12/18/25: Deadline for ICG questions or comments on the included project amendment

12/19/25: Preliminarily voted on, contingent on ICG approval

In lieu of a conference call, I am providing the following amendment request for the projects listed below and their exempt status.

Please consider this an informal request for review and comment regarding the need for air quality consultation for the proposed amendment. We request that you reply to this email by 12/17/2025 if you have any questions or comments or request a conference call to discuss further. Per the September 2022 Interagency Consultation Group Conformity Consultation Guidance Document, no response can be interpreted as concurrence.

Hello ICG members,

The DMMPC has 1 INDOT project amendment to the FY 2026-2030 DMTIP for consideration by the DMMPC Transportation Policy Committee. This project does not add capacity and have been determined as exempt by the DMMPC MPO.

Our proposed schedule for this amendment is:

12/11/25: ICG email communication informal request (this email)

12/18/25: Deadline for ICG questions or comments on the included project amendment

12/19/25: Preliminarily voted on, contingent on ICG approval

In lieu of a conference call, I am providing the following amendment request for the projects listed below and their exempt status.

Please consider this an informal request for review and comment regarding the need for air quality consultation for the proposed amendment. We request that you reply to this email by 12/17/2025 if you have any questions or comments or request a conference call to discuss further. Per the September 2022 Interagency Consultation Group Conformity Consultation Guidance Document, no response can be interpreted as concurrence.

Jay's response comfortably addresses the question about the RCIs.

With that being said, I do believe there would be a time where it may make sense to incorporate some parameters around those and a specific reference to them in our guidance doc like the other listed 'not regionally significant' exemptions.

Thanks...Later...Shawn

Hello everyone:

I think that I can help clear things up on INDOT's use of reduced conflict intersections. They are essentially employed as safety countermeasures. The following link to INDOT's Reduced Conflict Intersection website page: [INDOT: Reduced Conflict Intersections](#) provides a more comprehensive explanation of what an RCI is, how it is used and there are even a few short videos on their design and how to navigate through them.

A quote from the website: *"The Reduced Conflict Intersection (RCI) is an alternative to traditional roadway intersections on a four-lane highway. Instead of motorists crossing fast-moving lanes of traffic to get to the opposing lanes, drivers at a RCI turn right in the same direction of traffic, merge into the left lane, and then make a U-turn in the direction they intend to travel."*

I hope this helps to provide more insight regarding INDOT's application of RCIs.

Jay

Hey there!

A couple quick questions and a comment for ICG consideration:

Q1: Can you provide a little more context on DES2301081 (reduced conflict intersection)

Q2: Can you provide a little more context on DES2301082 (reduced conflict intersection)

Comment: We are using the term "reduced conflict intersection" increasingly these days, but it doesn't necessarily fit cleanly into any of our 'not regionally significant' categories in the ICG Guideline doc we have been working from for all these years. Maybe we should consider adding this category and some parameters to meet these easier calls one way or the other.

Thanks...Peace...Shawn

Subject: ICG Consultation - Retroactive

EXTERNAL EMAIL: This email was sent from outside your organization. Exercise caution when clicking links, opening attachments or taking further action, before validating its authenticity.

Members of the ICG,

The DMMPC is asking for confirmation of exempt status for 14 INDOT sponsored projects currently in the FY 2026-203 DMTIP. Please note that this request is being sought retroactively, as requested by FHWA,

as the DMMPC is no longer required to seek ICG concurrence of exempt status past January 3, 2026. All 14 projects have been determined to be exempt by the DMMPC MPO and are listed in detail on the attached file. The INDOT DES numbers for the included projects are: 2002415, 2003080, 2100776, 2200061, 2200062, 2200790, 2200791, 2200995, 2201151, 2301079, 2301081, 2301082, 2301137, and 2301262.

Please consider this an informal request for review and comment regarding the need for air quality consultation. We are requesting that you reply to this email by 2/11/26 if you have any questions, comments, or would like to request a conference call to discuss further. Per the September 2022 Interagency Consultation Group Conformity Consultation Guidance Document, no response can be interpreted as concurrence. Thank you.

Kylene Swackhamer
