RE: FY2014 - FY2017 State Transportation Improvement Program (STIP) Administrative Modification #12

Dear Ms. Simon;

Please find attached a Metropolitan Planning Organization TIP administrative modification **from the Northeastern Indiana Regional Coordinating Council (Fort Wayne MPO)**. The Administrative Modification was requested on February 13, 2014. We concur with this administrative modification and it will be reflected by reference in the 2014-2017 STIP.

We have determined that the administrative **modification** is: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects and 3) conform to state and national air quality standards as required by the Federal Clean Air Act Amendments of 1990.

Please contact me at (317) 232-5292 if you have any questions.

Sincerely,

Larry Buckel  
Manager  
Office of Transit

CC: Reggie Arkell, FTA

Larry,  
Please see directions below from Citilink. I have also attached the INDOT form and our TIP form to show you the modification (I have highlighted the changes in yellow). Please let me know if I can use the same DES # for the 2014 & 2015 projects (#1172603) or if you need to assign a new DES # for the 2014 project.

Thank you,
