Indiana Department of Transportation Construction Update

October 8, 2025

UPDATE: Corridor improvement work continues on U.S. 31 in Franklin

New traffic changes for Phase 2 of construction

JOHNSON COUNTY, Ind. - Indiana Department of Transportation contractor Milestone Contractors, L.P. is continuing work on Phase 1 and 2 of a six-phase intersection improvement project on U.S. 31 in Franklin.

Phase 1:

Phase 1 box culvert replacement work continues between Acorn Drive and Schoolhouse Road. The current Phase 1 traffic restrictions will be used through late November, weather permitting and can be found [here](#). Overall work on Phase 1 is anticipated to be complete in late November, weather permitting.

Phase 2:

Phase 2 intersection improvement work continues on U.S. 31 between South Main Street and West Jefferson Street in Franklin. On or after Monday, October 13, drivers can expect the following traffic restrictions and changes for Phase 2:

- The left lane of northbound and southbound U.S. 31 will be closed between Jefferson Street and East 80 South. The right lane will reopen.
- Franklin Lakes Boulevard will reopen at U.S. 31 (right turns only will be permitted)
- West South Street will reopen at U.S. 31 (right turns only will be permitted)

- The temporary U-turn location will remain available at southbound U.S. 31 and East 80 South.

The previous update on Phase 2 can be found [here](#). Overall work on Phase 2 is expected to be complete by the end of 2025.

INDOT will provide additional updates as work progresses. Motorists can receive updates and additional information from INDOT Southeast via [Facebook](#) and [X](#). Information on what is coming to U.S. 31 is [here](#).

This project is part of a \$66.2 million intersection improvement contract awarded to Milestone in February 2025. Overall contract work is anticipated to be complete in 2028. Additional information about the overall contract can be found [here](#).

INDOT reminds drivers to slow down, use extra caution, and avoid distractions when traveling in and near work zones. All work is weather-dependent and schedules are subject to change.

About the Indiana Department of Transportation

INDOT is responsible for planning, constructing, maintaining, and operating the State of Indiana's more than 29,000 highway lane miles and 5,700 bridges, and providing support for 4,500 rail miles and 127 aviation facilities throughout the Hoosier State. With six district offices and over 3,500 employees, INDOT works to ensure safe, efficient, and reliable transportation infrastructure while supporting the state's economic vitality. The department is committed to fostering innovation, sustainability, and safety in transportation planning and development, in addition to collaborating with local governments and private sector partners to meet the state's transportation needs. For the eighth consecutive year, Indiana has placed in the top ten in the nation for infrastructure in CNBC's "America's Top States for Business" rankings. Learn more at in.gov/indot.

About Buckle Up Phone Down

Buckle Up Phone Down is a safety initiative adopted by the Indiana Department of Transportation in late 2023. Unrestrained motorists and passengers, as well as distracted driving continue to be contributing factors in fatal and serious injury crashes on Indiana roadways. Buckle Up Phone Down is one of many efforts to change driver behavior and improve roadway safety across Indiana.

The actions are simple: when you get into a vehicle, buckle up. If you are the driver, put the phone down. Every trip. Every time. Learn more and accept the challenge at BUPDIN.com.
