We'd Like to Hear From You

The project team is committed to keeping the residents and business owners in Tippecanoe, Carroll and Cass Counties informed about this project. If there are subjects you would like to hear more about, please contact the public involvement team through

Aimee Kindred at
akindred@indot.in.gov or
317-234-4938

Representatives Available for Community Meetings

If your small group or organization would like a brief presentation or Q&A session about the SR25 Hoosier Heartland project, please contact the Public Involvement Director:

Aimee Kindred
akindred@indot.in.gov
317-234-4938.

Project Update

SR25 Hoosier Heartland
Tippecanoe, Carroll and Cass Counties
DES# 9802920

The first three contracts for the SR25 Hoosier Heartland Project are under construction in Tippecanoe County. Photographs of some of the recent construction are included on the back of this newsletter.

Segment Two of the SR25 Hoosier Heartland Project has reached the Preliminary Field Check stage. The next steps in the design process for this segment are to locate utilities and take soil boring samples from just east of the Tippecanoe/Carroll County line to just east of Carroll CR400W.

Staking will take place as part of this process and are not an indication of right-of-way. Please do not remove stakes that may be placed on your property. They will be removed as soon as this phase of the design process is complete. If access to your property is required for soil boring, a notice will be sent to your mailing address from ATC Associates Inc. that will include contact information should you have any questions.

Please visit the recently updated project website at www.in.gov/indot/div/projects/sr25study for more information.

Questions and Answers

Q: How is right-of-way acquired by INDOT?

A: Log on to www.fhwa.dot.gov/realestate/realprop/index.html

Q: What happens if my house or business must be removed from the new right-of-way?

A: Log on to www.fhwa.dot.gov/realestate/rights/index.html
