1.3 INPRS Background
1.3.1 History
INPRS was established by statute in 2011 as an independent body corporate and politic. The system is not a department or agency of the state but is an independent instrumentality exercising essential government functions. INPRS was established by legislation to manage the retirement funds of certain public employees throughout the State of Indiana. INPRS administers nine retirement plans including:

- Public Employees’ Retirement Fund (“PERF”)
- Teachers’ Retirement Fund Pre-1996 Account (“TRF Pre-1996”)
- Teachers’ Retirement Fund 1996 Account (“TRF 1996”)
- 1977 Police Officers’ and Firefighters’ Pension and Disability Fund (“1977 Fund”);
- Judges’ Retirement System (“JRS”);
- State Excise Police, Gaming Agent, Gaming Control Officer and Conservation Enforcement Officers’ Retirement Plan (“EG&C Plan”);
- Prosecuting Attorneys’ Retirement Fund (“PARF”)
- Legislators’ Defined Benefit Plan (“LEDB Plan”)
- Legislators’ Defined Contribution Plan (“LEDC Plan”)

These nine funds (PERF, TRF Pre-1996, TRF 1996, 1977 Fund, JRS, EG&C Plan, PARF, LEDB Plan, and LEDC Plan) are managed separately and administered by INPRS. For additional information regarding INPRS and the funds detailed above, please access: http://www.in.gov/inprs/.

A copy of INPRS’ FY2016 Comprehensive Annual Report (CAFR) may be reviewed at http://www.in.gov/inprs/annualreports.htm

SECTION 3 – SCOPE OF SERVICES

Introduction

The Indiana Public Retirement System (“INPRS”) is soliciting proposals from all qualified firms who wish to be considered as a vendor to provide Private Equity Fee Data Collection and Validation Services. The fee data collection and validation services will cover all funds in the INPRS’ Private Equity, Private Credit and Private Real Estate portfolios. Currently, these portfolios include approximately 275 funds and have a net asset value of approximately $5.0 billion.

The objective of this RFP is to identify those respondents with the expertise, track record, and resources to collect, track and validate each fund’s management fees, carried interest (realized & unrealized) and other fund expenses allocated to INPRS on a quarterly basis to ensure compliance with the terms and conditions of all agreements between INPRS and the general partner.

Minimum Qualifications

The respondents must:

1. If requested, have the ability and resources to collect, model and analyze fees for 100 percent (approximately 275) of INPRS’s funds during a one-year period.
2. Demonstrate expertise to present the fee analysis in a timely manner, and in a user-friendly and easy-to-understand format.

SECTION 4 – CONTRACT AWARD

Based on the results of this process, the qualifying proposal(s) determined to be the most advantageous to INPRS, taking into account all of the evaluation factors, may be selected by INPRS for contract award. If, however, INPRS decides that no proposal is sufficiently advantageous, INPRS may take whatever further action is deemed best in its sole discretion, including making no contract award. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, INPRS may begin contract preparation with the next qualified Respondent or determine that it does not wish to award a contract pursuant to this RFP.

INPRS reserves the right to discuss and further clarify proposals with any or all respondents. Additionally, INPRS may reject any or all proposals received or to award, without discussions or clarifications, a contract on the basis of proposals received. Therefore, each proposal should contain the Respondent’s best terms from a price and technical standpoint.

The Executive Director or his designee(s) will, in the exercise of his/her discretion, determine which proposal(s) offer the best means of servicing the interests of INPRS. The exercise of this discretion will be final.
4.1 Length of Contract

The term of the contract entered into under this RFP shall be for an initial period of five (5) years, beginning from the date of final execution of contract. There may be one (1) or more renewals under the same terms and conditions at INPRS’ option up to the length of the original term. Total contract period shall not exceed fifteen (15) years.

4.2 Evaluation Criteria

INPRS has selected a group of qualified personnel to act as an evaluation team. The procedure for evaluating the responses against the evaluation criteria will be as follows:

1. Each response will be evaluated on the basis of the criteria listed below.
2. Based on the results of the evaluation, the Proposal or Proposals determined to be most advantageous, taking into account all of the evaluation factors, may be selected for further action.
3. In addition, the evaluation team will consider other factors they believe to be material for this selection.

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements in an efficient, cost-effective manner, taking into account quality of service with minimal tolerance for error. Specific criteria include:

1. Fulfilling the requirements set forth in the RFP
2. Technical knowledge, skills, and other competencies of the vendor
3. Respondent qualifications
4. Quality and completeness of responses to this RFP
5. Quality of references
6. Experience and track record
7. Price (i.e. detail of fee proposal)
8. Quality of finalist presentation, if selected
9. Additional qualifying factors, as determined relevant by INPRS

All proposals will be reviewed. INPRS reserves the right to award a contract to the firm which, in its sole opinion, will be most advantageous. INPRS is not required and will not be obligated to award this contract to the firm with the lowest cost.

References may be contacted. It is possible that finalists will be interviewed by persons participating in the selection process.
APPENDIX A – SAMPLE CONTRACT FOR SERVICES

The following sample contract is the base contract that will be used if an award is made. It is the expectation of INPRS that the Respondent will review the sample contract and provide desired changes to INPRS at the time of submittal of a proposal. Desired changes are unlikely to be added unless INPRS determines in its sole discretion that the performance of services under the contract is dependent upon such changes.

If Respondent wishes to amend any term or change any language in the base contract being submitted, proposed language should be included in the business proposal in the form of an amendment to the base contract. See paragraph 2.3.6 of this RFP for the applicable section of the business proposal. For each proposed revision, the Respondent should indicate that the change is required by the Respondent in any contract resulting from this RFP and why it is required or indicate that the change is desired (but not required) by the Respondent in any contract resulting from this RFP.

If a required change is unacceptable to INPRS, the Respondent’s proposal may be considered unacceptable. It should be noted that Appendix A.1 of this RFP includes the essential clauses that are non-negotiable.

The Respondent is required to clearly identify and explain any exception that it desires to take to any of the terms and conditions of this Solicitation in the business proposal. The evaluation of a proposal may be negatively affected by exception taken by the Respondent to any part of this Solicitation, and INPRS reserves the right, in its sole discretion, to refuse to consider any exception that is not so identified in the Respondent’s proposal.
APPENDIX A.1 – ESSENTIAL CLAUSES

Essential Clauses in the System’s Professional Services Contract

As part of the Request for Proposal (RFP) process, you are required to review the Indiana Public Retirement System’s (the “System”) boilerplate professional services contract and submit comments with your proposal. The following clauses are non-negotiable. If you believe that a clause will affect your risk of liability, you should adjust your bid price accordingly.

(Section 4) Access to Records
The System will not agree to any provision eliminating this requirement or requiring the System records to be retained for less than applicable law, including Indiana’s public records retention schedule.

(Section 7) Audit and Audit Settlement
The System is subject to audits by the Indiana State Board of Accounts. Therefore, the System will not accept any substantive modifications to the language under this Section.

(Section 10) Compliance with Laws
The Indiana Attorney General requires this provision in all State of Indiana contracts. Contractor and its agents must abide by the ethical requirements set forth in Indiana Code, including provisions regarding the telephone solicitation of customers. As the System is subject to the jurisdiction of the State Ethics Commission and State ethics rules, the System will not agree to delete these provisions.

(Section 12) Confidentiality of System Information
Although the System is subject to Indiana’s public records laws, many of the System records are confidential public records that cannot be disclosed. In addition, the Indiana Attorney General requires the Social Security disclosure clause in all State of Indiana contracts.

(Section 16) Disputes
The System will not agree in advance to any binding resolution clauses, except those of the State of Indiana courts; however, the System may agree to alternative dispute resolution options, should a dispute arise.

(Section 17) Drug-Free Workplace Certification
To ensure compliance with the Governor of Indiana’s executive order on drug-free workplaces, these provisions are required in all the System contracts. The System will not accept any modifications of the language under this Section.

(Section 22) Governing Law
The contract must be governed by the laws of the State of Indiana, and suit, if any, must be brought in a state court of jurisdiction in the state of Indiana. As a quasi-governmental agency, the System is protected by the Eleventh Amendment of the United States Constitution, which guarantees that state governments hold sovereign immunity and are immune from federal lawsuits initiated by citizens of another state. The System will not agree to any provision that can be construed as waiving the System’s Eleventh Amendment rights.
(Section 24) Indemnification
The System will not agree to any modification that limits Contractor’s responsibility to indemnify the System as described in this Section. The Indiana Attorney General has opined that any agreement requiring the System to indemnify Contractor is a violation of the Indiana Constitution and against public policy. In addition, the System will not agree to any modification that limits the System’s ability to recover damages or limits Contractor’s liability as described in the contract.

(Section 33) Nondiscrimination
The Indiana Attorney General requires this provision in all State of Indiana contracts. The System will not agree to limit Contractor’s liability under this provision, nor will the System agree to substitute Contractor’s discrimination policy for the requirements under this Section.

(Section 32) Minority and Women’s Business Enterprise Compliance
Indiana law requires this provision in all System contracts. In the event Contractor uses a subcontractor to complete services pursuant to this contract, Contractor must visit the Indiana Department of Administration’s Web site, which contains a list of subcontractors registered as Minority Business Enterprises and/or Women’s Business Enterprises. If a subcontractor who performs services required under the contract is listed on the Web site, Contractor must give that subcontractor the opportunity to bid. If Contractor does not use a subcontractor to complete services pursuant to this contract, Contractor will be unaffected by this provision.

(Section 50) Investigations and Complaints
As part of the System’s fiduciary and due diligence obligations, this is an essential clause in the System’s contracts. The System will not accept material changes to this provision.

Additional contract provisions to which the System will not agree:

- Any provision requiring the System to provide insurance or an indemnity;
- Any provision requiring the contract to be construed in accordance with the laws of any state other than Indiana;
- Any provision requiring suit to be brought in any state other than Indiana;
- Any mandatory dispute resolution other than the courts;
- Any provision requiring the System to pay taxes;
- Any provision requiring the System to pay penalties, liquidated damages, interest, or attorney fees;
- Any provision modifying the statute of limitations;
- Any provision relating to a time in which the System must make a claim;
- Any provision requiring payment in advance, except for rent; and
Acknowledgement

We have reviewed and agree to the System’s mandatory contract provisions.

The Contractor warrants that it has no current, pending or outstanding criminal, civil, or enforcement actions initiated by the System, and agrees that it will immediately notify the System of any such actions. During the term of such actions, the Contractor agrees that the System may delay, withhold, or deny work under any supplement, amendment, change order or other contractual device issued pursuant to this Contract.

E. If a valid dispute exists as to the Contractor’s liability or guilt in any action initiated by the System or its agencies, and the System decides to delay, withhold, or deny work to the Contractor, the Contractor may request that it be allowed to continue, or receive work, without delay. Any payments that the System may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest, except as permitted by IC §5-17-5.
F. The Contractor warrants that the Contractor and its subcontractors, if any, shall obtain and maintain all required permits, licenses, registrations and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the System. Failure to do so may be deemed as a material breach of this Contract and grounds for immediate termination and denial of further work with the System.

G. The Contractor hereby affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.

H. As required by IC §5-22-3-7:

1. The Contractor and any principals of the Contractor certify that:
   (A) the Contractor, except for de minimis and nonsystematic violations, has not violated the terms of:
      (i) IC §24-4.7 [Telephone Solicitations of Consumers];
      (ii) IC §24-5-12 [Telephone Solicitations]; or
      (iii) IC §24-5-14 [Regulation of Automatic Dialing Machines];
   in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
   (B) the Contractor will not violate the terms of IC §24-4.7 for the duration of the Contract, even if IC §24-4.7 is preempted by federal law.

2. The Contractor and any principals of the Contractor certify that an affiliate or principal of the Contractor and any agent acting on behalf of the Contractor or on behalf of an affiliate or principal of the Contractor, except for de minimis and nonsystematic violations,
   (A) has not violated the terms of IC §24-4.7 in the previous three hundred sixty-five (365) days, even if IC §24-4.7 is preempted by federal law; and
   (B) will not violate the terms of IC §24-4.7 for the duration of the Contract, even if IC §24-4.7 is preempted by federal law.

I. As required by IC §5-22-16.5, the Contractor certifies that the Contractor is not engaged in investment activities in Iran. Providing false certification may result in the consequences listed in IC §5-22-16.5-14 including termination of this Contract, as well as imposition of a civil penalty.

11. Condition of Payment. All services provided by the Contractor under this Contract must be performed to the System’s reasonable satisfaction, as determined at the discretion of the undersigned State representative and in accordance with all applicable federal, state, local laws, ordinances, rules, and regulations. The System shall not be required to pay for work found to be unsatisfactory, inconsistent with this Contract or performed in violation of and federal, state, or local statute, ordinance, rule or regulation.

12. Confidentiality of System Information. The Contractor understands and agrees that data, materials, and information disclosed to the Contractor may contain confidential and protected information. The Contractor covenants that data, material and information gathered, based upon or disclosed to the Contractor for the purpose of this Contract will not be disclosed to or discussed with third parties without the prior written consent of the System.

The parties acknowledge that the services to be performed by Contractor for the System under this Contract may require or allow access to data, materials, and information containing Social Security numbers maintained by the System in its computer system or other records. In addition to the covenant made above in this section and pursuant to 10 IAC 5-3-1(4), the Contractor and the System agree to comply with the provisions of IC §4-1-10 and IC §4-1-11. If any Social Security number(s) is/are disclosed by Contractor, Contractor agrees to pay the cost of the notice of disclosure of a breach of the security of the system in addition to any other claims and expenses for which it is liable under the terms
of this contract.

13. **Continuity of Services.**
A. The Contractor recognizes that the service(s) to be performed under this Contract are vital to the System and must be continued without interruption and that, upon Contract expiration, a successor, either the System or another contractor, may continue them. The Contractor agrees to:
   1. Furnish phase-in training; and
   2. Exercise its best efforts and cooperation to effect an orderly and efficient transition to a successor.

B. The Contractor shall, upon the System’s written notice:
   1. Furnish phase-in, phase-out services for up to sixty (60) days after this Contract expires; and
   2. Negotiate in good faith a plan with a successor to determine the nature and extent of phase-in, phase-out services required. The plan shall specify a training program and a date for transferring responsibilities for each division of work described in the plan, and shall be subject to the System’s approval. The Contractor shall provide sufficient experienced personnel during the phase-in, phase-out period to ensure that the services called for by this Contract are maintained at the required level of proficiency.

C. The Contractor shall allow as many personnel as practicable to remain on the job to help the successor maintain the continuity and consistency of the services required by this Contract. The Contractor also shall disclose necessary personnel records and allow the successor to conduct on-site interviews with these employees. If selected employees are agreeable to the change, the Contractor shall release them at a mutually agreeable date and negotiate transfer of their earned fringe benefits to the successor.

D. The Contractor shall be reimbursed for all reasonable phase-in, phase-out costs (i.e., costs incurred within the agreed period after contract expiration that result from phase-in, phase-out operations).

14. **Debarment and Suspension**
A. The Contractor certifies by entering into this Contract that neither it nor its principals nor any of its subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the System of Indiana. The term “principal” for purposes of this Contract means an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Contractor.

B. The Contractor certifies that it has verified the state and federal suspension and debarment status for all subcontractors receiving funds under this Contract and shall be solely responsible for any recoupment, penalties or costs that might arise from use of a suspended or debarred subcontractor. The Contractor shall immediately notify the System if any subcontractor becomes debarred or suspended, and shall, at the System’s request, take all steps required by the System to terminate its contractual relationship with the subcontractor for work to be performed under this Contract.

15. **Default by System.** If the System, sixty (60) days after receipt of written notice, fails to correct or cure any material breach of this Contract, then the Contractor may cancel and terminate this Contract and institute the appropriate measures to collect all monies due up to and including the date of termination.
A. Should any disputes arise with respect to this Contract, the Contractor and the System agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.

B. The Contractor agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all its responsibilities under this Contract that are not affected by the dispute. Should the Contractor fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by the System or the Contractor as a result of such failure to proceed shall be borne by the Contractor, and the Contractor shall make no claim against the System for such costs.

C. The System may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the System to the Contractor of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for Contractor to terminate this Contract, and the Contractor may bring suit to collect these amounts without following the disputes procedure contained herein.

17. Drug-Free Workplace Certification. As required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana, the Contractor hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The Contractor will give written notice to the System within ten (10) days after receiving actual notice that the Contractor, or an employee of the Contractor in the System of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the System for up to three (3) years.

In addition to the provisions of the above paragraph, if the total amount set forth in this Contract is in excess of $25,000.00, the Contractor certifies and agrees that it will provide a drug-free workplace by:

A. Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Contractor’s workplace, and specifying the actions that will be taken against employees for violations of such prohibition;

B. Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the Contractor’s policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation, and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;

C. Notifying all employees in the statement required by subparagraph (A) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the Contractor of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;

D. Notifying in writing the System within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction;

E. Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance
or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and

F. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (A) through (E) above.

18. Employment Eligibility Verification. As required by IC §22-5-1.7, the Contractor swears or affirms under the penalties of perjury that:

A. The Contractor does not knowingly employ an unauthorized alien.

B. The Contractor shall enroll in and verify the work eligibility status of all his/her/its newly hired employees through the E-Verify program as defined in IC §22-5-1.7-3. The Contractor is not required to participate should the E-Verify program cease to exist. Additionally, the Contractor is not required to participate if the Contractor is self-employed and does not employ any employees.

C. The Contractor shall not knowingly employ or contract with an unauthorized alien. The Contractor shall not retain an employee or contract with a person that the Contractor subsequently learns is an unauthorized alien.

D. The Contractor shall require his/her/its subcontractors, who perform work under this Contract, to certify to the Contractor that the subcontractor does not knowingly employ or contract with an unauthorized alien and that the subcontractor has enrolled and is participating in the E-Verify program. The Contractor agrees to maintain this certification throughout the duration of the term of a contract with a subcontractor.

The System may terminate for default if the Contractor fails to cure a breach of this provision no later than thirty (30) days after being notified by the System.

19. Employment Option. If the System determines that it would be in the System’s best interest to hire an employee of the Contractor, the Contractor will release the selected employee from any non-competition agreements that may be in effect. This release will be at no cost to the System or the employee.

20. Force Majeure. In the event that either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a “Force Majeure Event”), the party who has been so affected shall immediately give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.

21. Funding Cancellation. When the System’s Board of Trustees makes a written determination that funds are not appropriated or otherwise available to support continuation of performance of this Contract, this
Contract shall be canceled. A determination by the System’s Board of Trustees that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.

22. **Governing Law.** This Contract shall be governed, construed, and enforced in accordance with the laws of the State of Indiana, without regard to its conflict of laws rules. Suit, if any, must be brought in the State of Indiana.

23. **HIPAA Compliance.** If this Contract involves services, activities or products subject to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Contractor covenants that it will appropriately safeguard Protected Health Information (defined in 45 CFR 160.103), and agrees that it is subject to, and shall comply with, the provisions of 45 CFR 164 Subpart E regarding use and disclosure of Protected Health Information.

24. **Indemnification.** The Contractor agrees to indemnify, defend, and hold harmless the System, its agents, officers, and employees from all claims and suits including court costs, attorney’s fees, and other expenses caused by any act or omission of the Contractor and/or its subcontractors, if any, in the performance of this Contract. The System shall not provide such indemnification to the Contractor.

25. **Independent Contractor; Workers’ Compensation Insurance.** The Contractor is performing as an independent entity under this Contract. No part of this Contract shall be construed to represent the creation of an employment, agency, partnership or joint venture agreement between the parties. Neither party will assume liability for any injury (including death) to any persons, or damage to any property, arising out of the acts or omissions of the agents, employees or subcontractors of the other party. The Contractor shall provide all necessary unemployment and workers’ compensation insurance for the Contractor’s employees, and shall provide the System with a Certificate of Insurance evidencing such coverage prior to starting work under this Contract.

26. **Information Technology Enterprise Architecture Requirements.** Contractor shall comply with all applicable INPRS Information Technology standards, policies, and guidelines. INPRS may terminate this contract for default for any deviation from those standards, as they exist as of the effective date of this Agreement, if the contractor fails to cure the breach of this provision within a reasonable time.

27. **Use or Transfer of Software Licenses.** INPRS has the right to use the software licenses on development or test environments without additional cost. Regarding the transfer of any Contractor’s software outside the use location specified on the Order Form, INPRS may execute the software in INPRS’ disaster recovery site without notifying the Contractor.

28. **Insurance.** The Contractor shall secure and keep in force during the term of this Contract, the following insurance coverage, covering the Contractor for any and all claims of any nature which may in any manner arise out of or result from Contractor’s performance under this Contract:

A. Commercial general liability, including contractual coverage, and products or completed operations coverage (if applicable), with minimum liability limits of not less than $700,000 per person and $5,000,000 per occurrence unless additional coverage is required by the System. The State is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly under or in connection with this Contract.

1. Automobile liability with minimum liability limits of $700,000 per person and $5,000,000 per occurrence. The State is to be named as an additional insured on a primary, non-contributory basis.
2. The Contractor shall provide proof of such insurance coverage by tendering to the undersigned State representative a certificate of insurance prior to the commencement of this Contract and proof of workers’ compensation coverage meeting all statutory requirements of IC §22.3-2. In addition, proof of an “all states endorsement” covering claims occurring outside the System is required if any of the services provided under this Contract involve work outside of Indiana.

B. The Contractor’s insurance coverage must meet the following additional requirements:

1. The insurer must have a certificate of authority issued by the Indiana Department of Insurance.

2. Any deductible or self-insured retention amount or other similar obligation under the insurance policies shall be the sole obligation of the Contractor.

3. The State will be defended, indemnified and held harmless to the full extent of any coverage actually secured by the Contractor in excess of the minimum requirements set forth above. The duty to indemnify the System under this Contract shall not be limited by the insurance required in this Contract.

4. The insurance required in this Contract, through a policy or endorsement(s), shall include a provision that the policy and endorsements may not be canceled or modified without thirty (30) days’ prior written notice to the undersigned State agency.

C. Failure to provide insurance as required in this Contract may be deemed a material breach of contract entitling the System to immediately terminate this Contract. The Contractor shall furnish a certificate of insurance and all endorsements to the System agency before the commencement of this Contract.

29. Key Person(s).

A. If both parties have designated that certain individual(s) are essential to the services offered, the parties agree that should such individual(s) leave their employment during the term of this Contract for whatever reason, the System shall have the right to terminate this Contract upon thirty (30) days’ prior written notice.

B. In the event that the Contractor is an individual, that individual shall be considered a key person and, as such, essential to this Contract. Substitution of another for the Contractor shall not be permitted without express written consent of the System.

Nothing in sections A and B, above shall be construed to prevent the Contractor from using the services of others to perform tasks ancillary to those tasks which directly require the expertise of the key person. Examples of such ancillary tasks include secretarial, clerical, and common labor duties. The Contractor shall, at all times, remain responsible for the performance of all necessary tasks, whether performed by a key person or others.

Key person(s) to this Contract is/are _________________________________________

30. Licensing Standards. The Contractor and its employees and subcontractors shall comply with all applicable licensing standards, certification standards, accrediting standards and any other laws, rules or regulations governing services to be provided by the Contractor pursuant to this Contract. The State will not pay the Contractor for any services performed when the Contractor, its employees or subcontractors are not in compliance with such applicable standards, laws, rules or regulations. If any license, certification or accreditation expires or is revoked, or any disciplinary action is taken against an applicable license, certification, or accreditation, the Contractor agrees to notify the System immediately and the System, at its option, may immediately terminate this Contract.
31. **Merger & Modification.** This Contract constitutes the entire agreement between the parties. No understandings, agreements, or representations, oral or written, not specified within this Contract will be valid provisions of this Contract. This Contract may not be modified, supplemented or amended, except by written agreement signed by all necessary parties.

32. **Minority and Women’s Business Enterprises Compliance**
The Contractor agrees to comply fully with the provisions of the Contractor’s MBE/WBE participation plans, if any, and agrees to comply with all Minority and Women’s Business Enterprise statutory and administrative code requirements and obligations, including IC § 4-13-16.5 and 25 IAC 5. The Contractor further agrees to cooperate fully with the Minority and Women’s Business Enterprise division to facilitate the promotion, monitoring, and enforcement of the policies and goals of MBE/WBE program including any and all assessments, compliance reviews, and audits that may be required.

33. **Nondiscrimination.** Pursuant to the Indiana Civil Rights Law, specifically including IC §22-9-1-10, and in keeping with the purposes of the federal Civil Rights Act of 1964, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, the Contractor covenants that it shall not discriminate against any employee or applicant for employment relating to this Contract with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee’s or applicant’s: race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state, or local law (“Protected Characteristics”). Furthermore, Contractor certifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services. Breach of this paragraph may be regarded as a material breach of this Contract, but nothing in this paragraph shall be construed to imply or establish an employment relationship between the System and any applicant or employee of the Contractor or any subcontractor. Contractor and any subcontractors shall also comply with requisite affirmative action requirements, including reporting, pursuant to 41 CFR Chapter 60, as amended, and Section 202 of Executive Order 11246.

45. **Termination for Convenience.** This Contract may be terminated, in whole or in part, by the System whenever, for any reason, the System determines that such termination is in its best interest. Termination of services shall be effected by delivery to the Contractor of a Termination Notice at least thirty (30) days prior to the termination effective date, specifying the extent to which performance of services under such termination becomes effective. The Contractor shall be compensated for services properly rendered prior to the effective date of termination. However, the Contractor shall continue the work not terminated.

The Contractor and the System shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property. Failure to agree will be a dispute under the Disputes clause. The System may withhold from these amounts any sum the System determines to be necessary to protect the System against loss because of outstanding liens or claims of former lien holders.

B.2 Taxpayer Identification Number Request

**Purpose of form:** We are required to file an information return with the IRS and must get your correct taxpayer identification number (TIN) to report our payments to you.

Use Form W-9 on the reverse side, if you are a U.S. person (including a U.S. resident alien), to give us your correct TIN and, when applicable to:

1. Certify the TIN you are giving is correct.
2. Certify you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are an exempt payee.

If you do not provide us with the information, your payments may be subject to 31% federal income tax backup withholding. Also, if you do not provide us with information, you may be subject to a $50.00 penalty imposed by the Internal Revenue Service per I.R.C. 6723.

Federal law on backup withholding preempts any state and local law remedies, such as any rights to a mechanic’s lien. If you do not furnish a valid TIN, or if you are subject to backup withholding, the payer is required to withhold 31% of its payment to you. Backup withholding is not a failure to pay you. It is advance tax payment. You should report all backup withholding as a credit for taxes on your federal income tax return.

**Specific Instructions:** Enter your legal name on that line. Your legal name is the one that appears on your Social Security Card or Employer Identification Number if a business. If you are a sole proprietor, then your legal name is the business owner’s name. If you have a “doing business as” (d/b/a) name, enter on the trade line. Enter your remit address on the next line, and if you have a separate address for purchase orders, enter that address on the appropriate line.

Next, select the organization type for your name, check the box, and record the appropriate taxpayer identification number (TIN) in the space provided. Notice that individuals and sole proprietors are the only types with a social security number. If you are a corporation or an exempt 501(a) organization, you must answer yes or no on legal and medical services. If you are a sole proprietor you must show the business owner’s name in the legal box, and the business name in the trade name box. You cannot use only the business name. For the TIN, you may use either the individual’s SSN or the employer identification number (EIN) of the business. However, the IRS prefers that you show the SSN.

Finally, complete the certification section, sign and date the form.

If you are a foreign person, use the appropriate Form W-8.
