SECTION 4 – CONTRACT AWARD

Based on the results of this process, the qualifying proposal(s) determined to be the most advantageous to INPRS, taking into account all of the evaluation factors, may be selected by INPRS for contract award. If, however, INPRS decides that no proposal is sufficiently advantageous, INPRS may take whatever further action is deemed best in its sole discretion, including making no contract award. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, INPRS may begin contract preparation with the next qualified Respondent or determine that it does not wish to award a contract pursuant to this RFP.

INPRS reserves the right to discuss and further clarify proposals with any or all Respondents. Additionally, INPRS may reject any or all proposals received or to award, without discussions or clarifications, a contract on the basis of proposals received. Therefore, each proposal should contain the Respondent's best terms from a price and technical standpoint.

The Executive Director or his designee(s) will, in the exercise of his/her discretion, determine which proposal(s) offer the best means of servicing the interests of INPRS. The exercise of this discretion will be final.

The term of the contract entered into under this RFP shall be for an initial period of five (5) years, beginning from the date of final execution of contract. There may be one (1) or more renewals under the same terms and conditions at INPRS's option up to the length of the original term. Total contract period shall not exceed ten (10) years.

4.2 Evaluation Criteria

INPRS has selected a group of qualified personnel to act as an evaluation team. The procedure for evaluating the responses against the evaluation criteria will be as follows:

1. Each response will be evaluated on the basis of the criteria listed below.
2. Based on the results of the evaluation, the Proposal or Proposals determined to be most advantageous, taking into account all of the evaluation factors, may be selected for further action.
3. In addition, the evaluation team will consider other factors they believe to be material for this selection.

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements in an efficient, cost-effective manner, taking into account quality of service with minimal tolerance for error. Specific criteria include:

1. Fulfilling the requirements set forth in the RFP
2. Technical knowledge, skills, and other competencies
3. Respondent qualifications
4. Quality and completeness of responses to this RFP
5. Quality of references
6. Experience and track record
7. Price (i.e. detail of fee proposal)

All proposals will be reviewed. INPRS reserves the right to award a contract to the firm or firms which, in its sole opinion, will be most advantageous. INPRS is not required and will not be obligated to award this contract to the firm with the lowest cost.

References may be contacted. It is possible that finalists will be interviewed by persons participating in the selection process.

APPENDIX A – SAMPLE CONTRACT FOR SERVICES

The following sample contract is the base contract that will be used if an award is made. It is the expectation of INPRS that the Respondent will review the sample contract and provide desired changes to INPRS at the time of submittal of a proposal. Desired changes are unlikely to be added unless INPRS determines in its sole discretion that the performance of services under the contract is dependent upon such changes.

If Respondent wishes to amend any term or change any language in the base contract being submitted, proposed language should be included in the business proposal in the form of an amendment to the base contract. See *paragraph 2.3.5* of this RFP for the applicable section of the business proposal. For each proposed revision, the Respondent should indicate that the change is required by the Respondent in any contract resulting from this RFP and why it is required or indicate that the change is desired (but not required) by the Respondent in any contract resulting from this RFP.

If a required change is unacceptable to INPRS, the Respondent's proposal may be considered unacceptable. It should be noted that *Appendix A.1* of this RFP includes the essential clauses that are nonnegotiable.

The Respondent is required to clearly identify and explain any exception that it desires to take to any of the terms and conditions of this Solicitation in the business proposal. The evaluation of a proposal may be negatively affected by exception taken by the Respondent to any part of this Solicitation, and INPRS reserves the right, in its sole discretion, to refuse to consider any exception that is not so identified in the Respondent's proposal.

A.1 Appendix– ESSENTIAL CLAUSES

Essential Clauses in the System’s Sample Contract for Services

As part of the Request for Proposal (RFP) process, you are required to review the Indiana Public Retirement System’s (the “System”) sample Contract for Services and submit comments with your proposal. The following clauses are nonnegotiable. If you believe that a clause will affect your risk of liability, you should adjust your bid price accordingly.

(Section 4) Access to Records

The System will not agree to any provision eliminating this requirement or requiring the System records to be retained for less than applicable law, including Indiana’s public records retention schedule.

(Section 7) Audit and Audit Settlement

The System is subject to audits by the Indiana State Board of Accounts. Therefore, the System will not accept any substantive modifications to the language under this Section.

(Section 11) Compliance with Laws

The Indiana Attorney General requires this provision in all State of Indiana contracts. Contractor and its agents must abide by the ethical requirements set forth in Indiana Code, including provisions regarding the telephone solicitation of customers. As the System is subject to the jurisdiction of the State Ethics Commission and State ethics rules, the System will not agree to delete these provisions.

(Section 13) Confidentiality of System Information

Although the System is subject to Indiana’s public records laws, many of the System records are confidential public records that cannot be disclosed. In addition, the Indiana Attorney General requires the Social Security disclosure clause in all State of Indiana contracts.

(Section 17) Disputes

The System will not agree in advance to any binding resolution clauses, except those of the State of Indiana courts; however, the System may agree to alternative dispute resolution options, should a dispute arise.

(Section 18) Drug-Free Workplace Certification

To ensure compliance with the Governor of Indiana’s executive order on drug-free workplaces, these provisions are required in all the System contracts. The System will not accept any modifications of the language under this Section.

(Section 23) Governing Law

The contract must be governed by the laws of the State of Indiana, and suit, if any, must be brought in a state court of jurisdiction in the State of Indiana. As a quasi-governmental agency, the System is protected by the Eleventh Amendment of the United States Constitution, which guarantees that state governments hold sovereign immunity and are immune from federal lawsuits initiated by citizens of another state. The System will not agree to any provision that can be construed as waiving the System’s Eleventh Amendment rights.

(Section 25) Indemnification

The System will not agree to any modification that limits Contractor’s responsibility to indemnify the System as described in this Section. The Indiana Attorney General has opined that any agreement requiring the System to indemnify Contractor is a violation of the Indiana Constitution and against public policy. In addition, the System will not agree to any modification that limits the System’s ability to recover damages or limits Contractor’s liability as described in the contract.

(Section 33) Minority and Women’s Business Enterprise Compliance

Indiana law requires this provision in all System contracts. In the event Contractor uses a subcontractor to complete services pursuant to this contract, Contractor must visit the Indiana Department of Administration’s Web site, which contains a list of subcontractors registered as Minority Business Enterprises and/or Women’s Business Enterprises. If a subcontractor who performs services required under the contract is listed on the Web site, Contractor must give that subcontractor the opportunity to bid. If Contractor does not use a subcontractor to complete services pursuant to this contract, Contractor will be unaffected by this provision.

(Section 34) Nondiscrimination

The Indiana Attorney General requires this provision in all State of Indiana contracts. The System will not agree to limit Contractor’s liability under this provision, nor will the System agree to substitute Contractor’s discrimination policy for the requirements under this Section.

(Section 51) Investigations and Complaints

As part of the System’s fiduciary and due diligence obligations, this is an essential clause in the System’s contracts. The System will not accept material changes to this provision.

Additional contract provisions to which the System will not agree:

- Any provision requiring the System to provide insurance or an indemnity;
- Any provision requiring the contract to be construed in accordance with the laws of any state other than Indiana;
- Any provision requiring suit to be brought in any state other than Indiana;
- Any mandatory dispute resolution other than the courts;
- Any provision requiring the System to pay taxes;
- Any provision requiring the System to pay penalties, liquidated damages, interest, or attorney fees;
- Any provision modifying the statute of limitations;
- Any provision relating to a time in which the System must make a claim;
- Any provision requiring payment in advance, except for rent; and
- Any provision limiting disclosure of information in contravention of the Indiana Access to Public Records Act

Acknowledgement

We have reviewed and agree to the System’s mandatory contract provisions.
