For the DC Plan, INPRS offers seven core menu options and a target date fund family totaling approximately \$8.3 billion. More information regarding the INPRS DC Plan's investment options can be reviewed at <https://www.in.gov/inprs/publications/investment-fact-sheets/>.

## **1.4 Issuer**

INPRS is issuing this RFP in accordance with Indiana statutes governing the procurement of services and certain administrative policies of INPRS. Capital Cities serves as the investment consulting firm to the INPRS DC Plan. Capital Cities assisted INPRS staff in the preparation of this RFP and will consult on the evaluation of responses.

## **1.5 Contacts**

Inquiries from Respondents are not to be directed to any staff or member of the Board of Trustees of INPRS, except as outlined in *Section 1.6* of this RFP. Such unauthorized communication(s) may disqualify Respondent from further consideration. INPRS reserves the right to discuss any part of any response for the purpose of clarification. Respondents will be given equal access to any communications about the RFP between INPRS and other Respondents.

## **1.6 Inquiries about the RFP for INPRS**

All inquiries and requests for information affecting this RFP must be submitted by email to the contact below no later than due dates outlined in *Section 1.16* of this RFP.

Kevin Marshall  
Manager of Vendor Management and Procurement  
procurements@inprs.in.gov

INPRS reserves the right to judge whether any questions should be answered in writing and INPRS's responses to inquiries will be posted at <http://www.in.gov/inprs/quoting.htm>.

If it becomes necessary to revise any part of this RFP or provide additional interpretation of a provision, an addendum will be posted to <http://www.in.gov/inprs/quoting.htm> prior to the due date for proposals. If such addendum issuance is necessary, the Manager of Vendor Management & Procurement may extend the due date and time of the proposals to accommodate such additional information requirements, if necessary.

## **1.7 Invitation to Submit Proposals**

All proposals must be emailed no later than February 27, 2026 at 3:00 PM EST to procurements@inprs.in.gov. Any proposal received after the due date will not be considered.

## **1.8 Modification or Withdrawal of Offers**

Responses to this RFP may be modified or withdrawn in writing by email if modifications are received prior to the date specified for receipt of proposals. Modification to or withdrawal of a proposal received after the date specified for receipt of proposals will not be considered.

INPRS may, at its option, allow all Respondents a five-calendar-day period to correct errors or omissions to their proposals. Should this necessity arise, INPRS will contact each Respondent affected. Each Respondent must submit written corrections to the proposal within five calendar days of notification. The intent of this option is to allow proposals with only minor errors or omissions to be corrected as deemed necessary by INPRS. Major errors or omissions, such as the failure to include prices, will not be considered by INPRS as minor errors or omissions and may result in disqualification of the proposal from further evaluation.

## **1.9 Confidential Information**

Respondents are advised that materials contained in proposals are subject to Indiana's Access to Public Records Act ("APRA"), IC 5-14-3 *et seq.*, and, after the contract award, the entire RFP file may be viewed and copied by any member of the public, including news agencies and competitors. The responses are deemed to be "public records" unless a specific provision of IC 5-14-3 protects it from disclosure.

Respondents claiming a statutory exception to the APRA **must indicate so in the Transmittal Letter. (See Section 2.2.5 for instructions.)** Documents containing confidential information must be labelled as such in the filename. The Respondent **must provide a separate redacted (for public release) version of the document.**

INPRS reserves the right to make determinations of confidentiality. Any objection to INPRS's confidentiality determination may be raised with the Indiana Public Access Counselor (PAC). The Public Access Counselor provides guidance on APRA. Respondents are encouraged to read guidance from the PAC on this topic as this is the guidance INPRS follows:

[18-INF-06; Redaction of Public Procurement Documents Informal Inquiry](#)

INPRS also reserves the right to seek the opinion of the PAC for guidance if INPRS doubts the cited exception is applicable.

## **1.10 RFP Response Costs**

INPRS accepts no obligation for costs incurred by Respondents in preparation of a proposal or any other costs incurred in anticipation of being awarded a contract.

## **1.11 Proposal Life**

All proposals made in response to this RFP must remain open and in effect for a period of not less than 180 days after the due date specified above. Any proposal accepted by INPRS for the purpose of contract negotiations shall remain valid until superseded by a contract or until rejected by INPRS.

## **1.12 Taxes**

INPRS is exempt from federal, state, and local taxes. INPRS will not be responsible for any taxes levied on the Respondent as a result of any contract resulting from this RFP.

## **1.13 Secretary of State Registration**

Before an out-of-state corporate Respondent can do business with INPRS, the Respondent must be registered with the Indiana Secretary of State. If an out-of-state corporate Respondent does not have such registration at present, the Respondent should contact:

Indianapolis, IN 46204  
(317) 232-6576

For the necessary registration application form, or it can be accessed via the internet at the web address provided in Appendix B.2. It is each Respondent's responsibility to register prior to the initiation of any contract discussions, but registration is not a requirement to submit a response.

## **1.14 Discussion Format**

INPRS reserves the right to conduct discussions, either oral or written, with those Respondents determined by INPRS to be reasonably viable to being selected for award. INPRS also reserves the right to seek clarification to resolve issues as deemed necessary by INPRS.

## **1.15 Compliance Certification**

Responses to this RFP serve as a representation that the Respondent and its principals, have no current or outstanding criminal, civil, or enforcement actions initiated by the State of Indiana, and Respondent agrees that it will immediately notify INPRS of such actions should they arise. The Respondent also certifies that neither it nor its principals are presently in arrears in payment of its taxes, permit fees, or other statutory, regulatory, or judicially required payments to the State of Indiana. The Respondent agrees that INPRS may initiate a background check on the Respondent and/or its principals in order to confirm, at any time, that no such liabilities exist, and, if such liabilities are discovered, that INPRS may bar the Respondent from contracting with INPRS, cancel existing contracts, withhold payments to set off such obligations, and withhold further payments or purchases until the entity is current in its liability to the State of Indiana and has submitted proof of such payment to INPRS.

## SECTION 3 – SCOPE OF SERVICES

The Indiana Public Retirement System (“INPRS”) Defined Contribution (“DC”) Plan is soliciting proposals from all qualified firms for the Stable Value mandate. Total assets for this mandate represent approximately \$2.1 billion (as of September 30, 2025). Products will be considered that meet the traditional definition of Stable Value in that they preserve capital and minimize market volatility. While proposals for custom separate account Stable Value vehicles are preferred, all vehicle types/Stable Value strategies will be considered. The mandate must meet guidelines outlined in INPRS’ Investment Policy Statement ([https://www.in.gov/inprs/files/INPRS\\_IPS.pdf](https://www.in.gov/inprs/files/INPRS_IPS.pdf)).

The objective of this RFP is to identify those respondents with the expertise, track record, and resources to invest in the mandate described above.

Required characteristics of the firm:

1. Must be an investment advisor registered with the SEC.
2. Have existing Firm AUM of at least \$10 billion.
3. The Firm must have a minimum track record of ten years acting as a Stable Value provider.
4. The Firm must have a performance track record for managing Stable Value in compliance with Global Investment Performance Standards (“GIPS”) that extends at least seven years.
5. Have ability to offer a separate account structure or collective investment trust. All vehicle types will be considered; however, separate account mandates and collective investment trusts are generally preferred.
  - a. Mandates that utilize a separate account structure will also require a Sudan and Terror States compliance screen as defined in IC 5-10.2-9 and IC 5-10.2-10, a Divestment Related to Boycott of, Divestment from, or Sanctions of Israel compliance screen as defined in IC 5-10.2-11-1, and Divestment From Chinese Companies compliance screen as defined in IC 5-10.2-13 and performed by a vendor on INPRS’ behalf.
  - b. Mandates that utilize a separate account structure must agree to the use of INPRS’s forms and contracts for proposed separate accounts.
6. Have a minimum of at least \$10 billion in Stable Value assets under management.
7. Must be able to provide a multi-manager construction with no more than 60% to one manager.
8. Must be able to provide diversified wrap coverage with a minimum of four wrap providers.
9. Agree to comply with INPRS’ Investment Policy Statement, last revised effective May 2, 2025, and as may be amended from time to time, and specifically Section 8.2.6 thereto.

### Background:

The INPRS DC Plan offers a custom, white-labeled Stable Value Fund to participants as a core menu option. Additionally, the Stable Value Fund serves as the capital preservation component within the default, custom Target Date Funds. The Stable Value Fund is a separate account comprised of a 2% allocation to cash, 38% allocation to short duration fixed income, and 60% allocation to intermediate fixed income. Currently, Galliard manages the 38% allocation to short duration fixed income, while IR+M, Payden & Rygel, Dodge & Cox and TCW manage the remaining 60% to intermediate fixed income. There are five wrap providers, including American General Life Ins. Co., Pacific Life Ins. Co, Prudential Ins. Co. of America, Transamerica Life Ins. Co, and Voya Ret. Ins. and Annuity Co.

### Additional Information:

The total assets within the INPRS DC Plan (accounting for all investment options offered) represent \$8.3 billion (as of October 31, 2025). The custom target date options serve as the Plan's default option for participants. INPRS plans to continue offering the Stable Value Fund as a core investment menu option, along with utilizing the Stable Value Fund as an underlying component of its custom Target Date Funds. Voya serves as the INPRS DC Plan's recordkeeper.

The INPRS DC Plan leverages the extensive asset base and investment manager roster of the INPRS Defined Benefit Plan, where appropriate. Specifically, INPRS' custodian (BNY Mellon) unitizes many investment manager mandates between the Defined Contribution Plan and the Defined Benefit Plan. Furthermore, INPRS negotiates favorable fee schedules with investment managers based on total assets across all mandates and plans.

#### INPRS DC and Defined Benefit Plans' Fixed Income Managers:

- PIMCO: Total Return, Emerging Market Debt, Long Government/Dynamic Bond Fund
- Wellington: Core Plus
- Northern Trust: Passive Bloomberg Aggregate Bond Index, Passive Bloomberg Intermediate Government and Credit Index
- State Street: Passive U.S. Government/Credit Bond Index
- Goldman Sachs: Emerging Market Debt
- Oak Hill: Opportunistic Credit
- Oak Tree: Opportunistic Credit

## **SECTION 4 – CONTRACT AWARD**

Based on the results of this process, the qualifying proposal(s) determined to be the most advantageous to INPRS, considering all of the evaluation factors, may be selected by INPRS for contract award. If, however, INPRS decides that no proposal is sufficiently advantageous, INPRS may take whatever further action is deemed best in its sole discretion, including making no contract award. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, INPRS may begin contract preparation with the next qualified Respondent or determine that it does not wish to award a contract pursuant to this RFP.

INPRS reserves the right to discuss and further clarify proposals with any or all respondents. Additionally, INPRS may reject any or all proposals received or to award, without discussions or clarifications, a contract based on proposals received. Therefore, each proposal should contain the Respondent's best terms from a price and technical standpoint.

The Executive Director or his designee(s) will, in the exercise of his/her discretion, determine which proposal(s) offer the best means of servicing the interests of INPRS. The exercise of this discretion will be final.

### **4.1 Length of Contract**

The term of the contract entered under this RFP shall be for an initial period of five (5) years, beginning from the date of final execution of contract. There may be one (1) or more renewals under the same terms and conditions at INPRS' option up to the length of the original term. Total contract period shall not exceed ten (10) years.

### **4.2 Evaluation Criteria**

INPRS has selected a group of qualified personnel to act as an evaluation team. The procedure for evaluating the responses against the evaluation criteria will be as follows:

- Each response will be evaluated based on the criteria listed below.
- Based on the results of the evaluation, the Proposal or Proposals determined to be most advantageous to INPRS, considering all of the evaluation factors, may be selected by INPRS for further action.
- In addition, the evaluation team will consider other factors they believe to be material for this selection.

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements in an efficient, cost-effective manner, considering quality of service with minimal tolerance for error.

Specific criteria include:

1. Organization: ownership stability and business strategy/focus
2. Investment Professionals: personnel stability; depth of portfolio managers, research/credit analysts, Stable Value contract negotiators and client service personnel
3. Portfolio Construction: ability to source wrap coverage; diversification of wrap coverage and portfolio construction; and, risk management
4. Operations: Crediting rate methodology and transparency; ability to meet INPRS' unique objectives; and, redemption provisions

5. Performance: return and risk over numerous time periods
6. Product Dynamics: Stable Value assets under management, client composition and product sustainability
7. Price: total expense (investment management, wrap providers and operating expenses) and fee transparency

## **APPENDIX A – SAMPLE INVESTMENT MANAGEMENT AGREEMENT**

The following sample contract is the base investment management agreement that will be used if an award is made. It is the expectation of INPRS that the Respondent will review the sample agreement and provide desired changes to INPRS at the time of submittal of a proposal. Desired changes are unlikely to be added unless INPRS determines in its sole discretion that the performance of services under the agreement is dependent upon such changes.

If Respondent wishes to amend any term or change any language in the base agreement being submitted, proposed language should be included in the business proposal in the form of an amendment to the base agreement. See *paragraph 2.3.5* of this RFP for the applicable section of the business proposal. For each proposed revision, the Respondent should indicate that the change is required by the Respondent in any contract resulting from this RFP and why it is required or indicate that the change is desired (but not required) by the Respondent in any contract resulting from this RFP.

If a required change is unacceptable to INPRS, the Respondent's proposal may be considered unacceptable. It should be noted that *Appendix A.1* of this RFP includes the essential clauses that are non-negotiable.

The Respondent is required to clearly identify and explain any exception that it desires to take to any of the terms and conditions of this Solicitation in the business proposal. The evaluation of a proposal may be negatively affected by exception taken by the Respondent to any part of this Solicitation, and INPRS reserves the right, in its sole discretion, to refuse to consider any exception that is not so identified in the Respondent's proposal.

## APPENDIX A.1 – ESSENTIAL CLAUSES

### **Essential Clauses in the System’s Investment Management Agreement**

As part of the Request for Proposal (RFP) process, you are required to review the Indiana Public Retirement System’s (the “System”) boilerplate investment management agreement and submit comments with your proposal. The following clauses are non-negotiable. If you believe that a clause will affect your risk of liability, you should adjust your bid price accordingly.

#### **Section 9(F) Obligation to System Members and Beneficiaries**

The System will not agree to any modification that undermines the obligations of the Board to manage the System’s assets for the sole and exclusive benefit of the System’s members and beneficiaries as required by IC 5-10.2-14-9(a).

#### **(Section 17) Indemnification**

The System will not agree to any modification that limits Manager’s responsibility to indemnify the System as described in this Section. The Indiana Attorney General has opined that any agreement requiring the System to indemnify Manager is a violation of the Indiana Constitution and against public policy. In addition, the System will not agree to any modification that limits the System’s ability to recover damages or limits Manager’s liability as described in the contract.

#### **(Section 18 (H)) Investigations and Complaints**

As part of the System’s fiduciary and due diligence obligations, this is an essential clause in the System’s contracts. The System will not accept material changes to this provision.

#### **(Section 21) Record Retention and Inspection**

The System will not agree to any provision eliminating this requirement or requiring the System records to be retained for less than applicable law, including Indiana’s public records retention schedule.

#### **(Section 22) Confidentiality**

Although the System is subject to Indiana’s public records laws, many of the System records are confidential public records that cannot be disclosed. In addition, the Indiana Attorney General requires the Social Security disclosure clause in all State of Indiana contracts.

#### **(Section 25) Nondiscrimination**

The Indiana Attorney General requires this provision in all State of Indiana contracts. The System will not agree to limit Manager’s liability under this provision, nor will the System agree to substitute Manager’s discrimination policy for the requirements under this Section.

#### **(Section 26(B)) Laws and Ethics**

The Indiana Attorney General requires this provision in all State of Indiana contracts. Manager and its agents must abide by the ethical requirements set forth in Indiana Code, including provisions regarding the telephone solicitation of customers. As the System is subject to the jurisdiction of the State Ethics Commission and State ethics rules, the System will not agree to delete these provisions.

#### **(Section 28) Governing Laws**

The contract must be governed by the laws of the State of Indiana, and suit, if any, must be brought in a state court of jurisdiction in the State of Indiana. As a quasi-governmental agency, the System is protected by the Eleventh Amendment of the United States Constitution, which guarantees that state governments hold sovereign immunity and are immune from federal lawsuits initiated by citizens of another state. The System will not agree to any provision that can be construed as waiving the System’s Eleventh Amendment rights.

(Section 29) Disputes

The System will not agree in advance to any binding resolution clauses, except those of the State of Indiana courts; however, the System may agree to alternative dispute resolution options, should a dispute arise.

(Section 38) Maintaining a Drug-Free Workplace; Drug-Free Workplace Certification

To ensure compliance with the Governor of Indiana's executive order on drug-free workplaces, these provisions are required in all the System contracts. The System will not accept any modifications of the language under this Section.

(Section 39) Audit

The System is subject to audits by the Indiana State Board of Accounts. Therefore, the System will not accept any substantive modifications to the language under this Section.

(Section 44) Minority and Women's Business Enterprise Compliance

Indiana law requires this provision in all System contracts. In the event Manager uses a subcontractor to complete services pursuant to this contract, Manager must visit the Indiana Department of Administration's Web site, which contains a list of subcontractors registered as Minority Business Enterprises and/or Women's Business Enterprises. If a subcontractor who performs services required under the contract is listed on the Web site, Manager must give that subcontractor the opportunity to bid. If Manager does not use a subcontractor to complete services pursuant to this contract, Manager will be unaffected by this provision.

**Additional contract provisions to which the System will not agree:**

- Any provision requiring the System to provide insurance or an indemnity;
- Any provision requiring the contract to be construed in accordance with the laws of any state other than Indiana;
- Any provision requiring suit to be brought in any state other than Indiana;
- Any mandatory dispute resolution other than the courts;
- Any provision requiring the System to pay taxes;
- Any provision requiring the System to pay penalties, liquidated damages, interest, or attorney fees;
- Any provision modifying the statute of limitations;
- Any provision relating to a time in which the System must make a claim;
- Any provision requiring payment in advance, except for rent; and
- Any provision limiting disclosure of information in contravention of the Indiana Access to Public Records Act

**Acknowledgement**

**H. Effective Termination Date.** “Effective Termination Date” means the date on which work under this Management Agreement will formally cease, as specified in any notice of termination delivered by the System to Manager.

**I. Investment Guidelines.** “Investment Guidelines” means the investment policies, guidelines, standards, and objectives set forth in the System’s current Investment Policy Statement (“IPS”), a copy of which is attached hereto as Exhibit E and incorporated herein in its entirety, and the scope of services enumerated within this Management Agreement.

**J. Legal Requirements.** “Legal Requirements” means all foreign, international, federal, state, county, and local laws, and regulations, ordinances, registrations, filings, approvals, authorizations, consents and examinations which may apply to the System or Manager in relation to their performance under this Management Agreement.

**K. Managed Assets.** “Managed Assets” means those securities, bonds, instruments, documents, Agreements and cash owned by the System that the Board, in its sole discretion, may from time to time allocate to Manager and that Manager manages and invests for the System’s benefit pursuant to the terms of this Management Agreement, together with all interest, earnings, accruals, capital growth, and any and all other additions, substitutions, and alterations thereon or thereto.

**L. Standard of Care.** “Standard of Care” refers to the standard governing Manager’s performance as a fiduciary of the System under this Management Agreement and requires Manager to discharge each of its duties and exercise each of its powers under this Management Agreement with the care, skill, prudence, and diligence that an expert acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character with like aims.

**M. Sub-Account.** “Sub-Account” means the custody account that the System shall establish with its Custodian referencing Manager’s name for the deposit of the Managed Assets, and the accounting of transactions related thereto, separately from the System’s other assets.

**N. System Records.** “System Records” means all records related to the Managed Assets, including, but not limited to, any pertinent transaction, activity, time sheets, cost, billing, accounting and financial records, proprietary data, electronic recordings, and any other records created by Manager or its Agents in connection with this Management Agreement.

### **3. Appointment of Manager and Acceptance of Appointment**

The System hereby appoints Manager as a fiduciary of the System and authorizes Manager to invest and manage the Managed Assets using a mandate, with the benchmark Index as the performance benchmark. Manager hereby accepts such appointment, assumes full responsibility for the investment and management of the Managed Assets, and agrees to execute its duties according to the terms, conditions, and standards set forth in this Management Agreement. Manager’s specific investment mandate and

benchmark shall be determined in accordance with Exhibit A attached hereto and incorporated by reference herein.

#### **4. Standard of Care**

Manager acknowledges that this Management Agreement places it in a fiduciary relationship with the System. As such, Manager is held to the Standard of Care, as defined in Section 2 of this Management Agreement. Manager shall cause any and all of its Agents to exercise the same Standard of Care. Manager shall be liable to the System for any Claim that arises from or relates to any failure by Manager or any of its Agents to exercise this Standard of Care.

#### **5. Limited Status as Agent**

Manager shall be deemed the agent of the System for the sole and limited purpose of managing the Managed Assets. This Management Agreement is not intended and shall not be construed to create the relationship of servant, employee, partnership, joint venture, or association as between the System and Manager. For all purposes, including, but not limited to, workers' compensation and unemployment liability, Manager understands and agrees that all persons furnishing services pursuant to this Management Agreement are deemed employees solely of Manager and not of the System.

#### **6. Authorized System Personnel**

Upon execution of this Management Agreement, the System shall provide Manager with a list of Authorized Persons who will be permitted to advise, inform, and direct Manager on the System's behalf, together with signature specimens of certain Authorized Persons who may execute specific tasks under this Agreement, attached hereto as Exhibit D and incorporated herein in its entirety. The list of Authorized Persons and any changes to such list shall be made in writing to Manager and signed by the System's Director or the Director's designee. Until notified of any such change and subject to the provisions of Section 7 below, Manager may rely on and act upon instructions and notices received from an Authorized Person identified on the then-current list furnished by the System. In the event the System fails to designate an Authorized Person, Manager shall take direction solely from the System's Executive Director.

#### **7. Authorized Instructions**

All Authorized Instructions shall be in writing and transmitted by first class mail, private express courier, facsimile, or other authenticated electronic transmissions; provided, however, that Manager may, in its discretion, accept verbal Authorized Instructions subject to written confirmation of same from such Authorized Person. Such Authorized Instructions shall bind Manager upon receipt. If Manager receives instructions or notices from a source other than an Authorized Person, Manager shall not comply with them and shall immediately notify the System's Chief Investment Officer in writing of such unauthorized instructions or notices. Manager is authorized and shall exercise its discretion in extraordinary situations when communications with an Authorized Person cannot be achieved to proceed with the disposal of securities to prevent exceptional loss of value to the System.

#### **8. Custody of Managed Assets**

The System shall instruct Custodian to establish a separate Sub-Account and maintain the Sub- Account in a manner that enables Custodian to account for the Managed Assets, and transactions with respect thereto, separately from the System's other assets. Ownership of the Managed Assets shall remain with the System. Manager shall not, under any circumstances, take possession, custody, title, or ownership of any Managed Assets. Manager shall not have the right to have securities in the Sub-Account

registered in its own name or in the name of its nominee, nor shall Manager in any manner acquire or become possessed of any income or proceeds distributable by reason of selling, holding, or controlling any Managed Assets in the Sub-Account. Accordingly, Manager shall have no responsibility with respect to the collection of income, physical acquisition, or the safekeeping of the Managed Assets. All such duties of collection, physical acquisition, or safekeeping shall be the sole obligation of Custodian.

## **9. Investment Duties of Manager**

As a fiduciary, Manager shall have discretion to manage, invest, and reinvest the Managed Assets in the Sub-Account according to the terms of this Management Agreement, the IPS, the Investment Guidelines, and all applicable laws, rules, and regulations governing the investment of such assets.

- A. Investment Guidelines.** Manager shall have the authority to make such purchases, sales, exchanges, and/or deliveries, or to direct Custodian to make such purchases, sales, exchanges, and/or deliveries of securities or other property or interests or part-interests therein, as Manager may deem appropriate, subject to the Investment Guidelines and written modifications to the Investment Guidelines. See Exhibit E, attached hereto and incorporated by reference herein. Manager hereby acknowledges that it has reviewed and is familiar with the Investment Guidelines. Manager further acknowledges and understands that the System may periodically revise the Investment Guidelines and, in such event, Manager agrees to be bound by any such revisions upon receipt of written notice from the System.
- B. Trading Procedures.** All transactions authorized by this Management Agreement shall be settled through Custodian, which shall retain sole possession of and have complete custodial responsibility for the Managed Assets. Manager shall be the sole entity to notify and instruct Custodian on orders that Manager places for the sale or purchase of any Managed Assets and the management or disposition of such Managed Assets, and on the purchase or acquisition of other securities or property for the Sub-Account. Manager shall provide Custodian with such trade information as Custodian may require to effect settlement, within the time frames as Custodian may designate. The System shall provide Manager with Custodian's detailed procedures and settlement instructions upon execution of this Management Agreement.
- C. Broker/Dealers.** Manager shall have complete authority and discretion to establish accounts with one or more duly registered broker/dealers. Consistent with ensuring the safety of the Managed Assets, Manager shall engage in a prudent and diligent broker/dealer selection process. Manager shall ensure that all orders are placed with only reputable, qualified, and financially-sound broker/dealers. Manager's primary objective shall be to select broker/dealers that will provide the most favorable net price and execution for the Sub-Account, but this requirement shall not obligate Manager to recommend any broker/dealer solely on the basis of obtaining the lowest commission rate if the other standards set forth herein are satisfied. Notwithstanding the foregoing, Manager shall not place orders with any broker/dealer which: (i) the System has by written notice to Manager deemed unsuitable for the System trades; (ii) is affiliated with an investment consultant that provides non-brokerage related services to the System; or (iii) is affiliated with Manager. Manager acknowledges that it has received a list of such broker/dealers from the System as of the effective date of this Management Agreement. Manager agrees to be bound by any subsequent changes to such list upon receipt of written notice from the System. See Exhibit C, attached hereto and incorporated by reference herein.
- D. Trade Confirmation and Settlement.** Manager shall instruct all broker/dealers executing orders to forward to Custodian copies of all brokerage confirmations promptly after execution of transactions. Where a transaction is eligible for settlement through the Depository Trust

Company's Institutional Delivery System, Manager shall use such Institutional Delivery System for trade confirmation and settlement. Manager shall cooperate with Custodian and other parties to the trade to promptly resolve any trade settlement discrepancies or disputes.

**E. Discretionary Rights and Powers Affecting the Managed Assets.** The Board and Authorized Persons agree that they shall, or shall instruct Custodian to, promptly transmit to Manager all written information Custodian receives concerning the Managed Assets held in the Sub-Account, including without limitation, conversion rights, subscription rights, warrants, options, pendency of calls, maturities of securities, expirations of rights, tender and exchange offers, and any other right or power requiring a discretionary decision by Manager. Manager shall be responsible for timely directing Custodian with respect to the exercise of such rights and/or powers where Manager has actual knowledge of same, whether by written notice or otherwise. The Board and Authorized Persons shall also instruct Custodian to place and hold all securities in good deliverable form to facilitate transfer upon sale.

**F. Fiduciary Duty.** Manager agrees to act consistently with the requirements of Indiana law regarding the obligation of the Board to manage the System's assets for the sole and exclusive benefit of the System's members and beneficiaries pursuant to IC 5-10.2-14-9(a). Manager agrees to honor these obligations and the requirements of the IPS, including obligations regarding the use of non-financial factors in Section 8.2.6.

## **10. Sub-Account Reconciliation**

Upon request and to the extent possible, Custodian shall provide Manager with on-line access to the Sub-Account. In addition, Custodian shall provide Manager with periodic financial statements of the Sub-Account as Manager may reasonably request. The System acknowledges that Manager does not assume any responsibility for the accuracy of any information furnished by the System or Custodian. Manager shall, however, cooperate with the System and Custodian to reconcile the Sub-Account each month.

## **11. Written Reports**

Manager shall provide the System with the periodic written reports described in this Section in a form or forms to be mutually agreed upon by the System and Manager. In all accounting reports, Manager shall present such reports on a trade date basis and, where available, present dividend and income items on an accrual basis. An authorized officer of Manager shall sign all reports and shall certify that such reports are accurate and consistent with all applicable Investment Guidelines. The System agrees that Manager, in the maintenance of its records and preparation of its reports, does not assume responsibility for the accuracy of any information furnished by the System, Custodian, or any other person or firm.

**Monthly Reports.** By no later than the end of each month, Manager shall report to the System on the investment status and performance of the Managed Assets in the Sub-Account during the preceding month. The monthly report shall include, without limitation, the following information:

- A.** Statement of asset performance and portfolio characteristics versus the respective index, including sector and country weights versus the benchmark; and
- B.** Statement of Performance Attributes.

**Requested Reports.** Manager agrees to provide all statements, responses, and filings made with federal or State of Indiana regulatory bodies within thirty (30) days of request by the System. These may be related to such topics as current or proposed industry regulations, proposed statutory changes, or any

other topics affecting the System or the financial sector.

## **12. Meetings**

At the System's request and at mutually agreed upon times, Manager shall meet with the System to review Manager's performance and to discuss Manager's present and future investment strategy. Manager shall be available upon reasonable notice to answer questions by the System staff and Board members from time to time as needed, without additional charge.

## **13. Compensation for Services**

The System agrees to pay Manager, and Manager agrees to accept as full compensation for all services rendered, a fee calculated at a rate and upon such terms as may from time to time be determined by the mutual agreement of the System and Manager and, initially, in accordance with Exhibit B, Fee Schedule, attached hereto and incorporated by reference herein.

## **14. Invoices for Compensation**

Manager agrees to execute such payment or invoice forms as are required by the System. Manager shall submit to the System a quarterly invoice within thirty (30) calendar days of the close of the quarter for which services were provided. Each invoice shall include the quarterly share of Manager's fee (prorated for any partial quarter) as set forth in the then-current Fee Schedule. Invoices shall only cover work already performed because no compensation shall be paid to Manager in advance of services rendered. All payment obligations shall be made in arrears in accordance with Indiana law and the System policies and procedures.

## **15. Seminars and Training Programs**

Subject to and in accordance with all applicable State of Indiana and System ethics rules and regulations, in the event Manager conducts seminars, training sessions, or similar events that are generally made available to Manager's clients, the System shall be invited to attend upon the same terms and conditions as such other clients.

## **16. Termination; Rights, Remedies, and Responsibilities upon Termination; Termination for Convenience**

Notwithstanding anything to the contrary, this Management Agreement may be terminated by the System, in whole or in part, for any reason, by delivery of a notice of termination to the Manager (such date of notice, the "Effective Termination Date"). Upon termination of this contract, Manager shall retain all System Records in accordance with the record retention provisions set forth in the Record Retention and Inspection section of this Management Agreement.

Manager shall be compensated for services rendered prior to the Effective Termination Date.

Following the Effective Termination Date, Manager shall submit to the System, in the form and with any reasonable certifications as may be prescribed by the System, Manager's final invoice ("Termination Invoice"). The Termination Invoice shall prorate Manager's quarterly fees, on a daily basis, for work already performed but for which Manager has not been compensated through the Effective Termination Date, in accordance with Manager's then-current compensation level. Manager shall submit such Termination Invoice no later than thirty (30) days after the Effective Termination Date. Upon Manager's failure to submit its Termination Invoice within the time allowed, the System may determine, on the basis of information available to it, the amount, if any, due to Manager and such determination shall be deemed

final. After the System has made such determination, or after Manager has submitted its Termination Invoice, the System shall authorize payment to Manager.

The System will not be liable for services performed after the Effective Termination Date. Manager shall be compensated for services herein provided, but in no case shall total payment made to Manager exceed the original contract price plus changes approved or directed in writing by the System. In no event shall the System's termination of the Management Agreement under this Section be deemed a waiver of either party's right to make a claim against the other party for damages resulting from any default by such other party that occurred prior to the Effective Termination Date. Additionally, the System may terminate this contract immediately in the event that the System, in its sole discretion, considers such action necessary to protect the plan or assets in the trust.

In the event of any termination of this Management Agreement, unless otherwise expressly directed by the System, Manager shall take all necessary steps to stop services under this Management Agreement on the Effective Termination Date. All terms and conditions set forth herein shall continue to apply through the period following the Effective Termination Date ("Transition Period"), during which Manager shall continue to serve as Manager hereunder at the then-existing compensation level for the duration of the Transition Period. Such Transition Period shall not exceed three (3) months after the Effective Termination Date. Manager shall perform services required under this Management Agreement that are necessary to complete any transactions pending on the Effective Termination Date. Manager shall cooperate with the System in good faith to affect an orderly transfer of such services and all applicable records to a successor manager by the Effective Termination Date. After the additional services have been performed and the Transition Period is complete, Manager, subject to the terms and conditions of this Management Agreement, shall be compensated for the Transition Period at its then-existing compensation level.

The rights and remedies provided by this Section are not exclusive, but cumulative, and in addition to any other rights and remedies provided by law, in equity, or under any provisions of this Management Agreement.

## **17. Indemnification**

Manager shall indemnify, defend, and hold harmless the State of Indiana and the System, its officers, fiduciaries (excluding Manager), employees, and agents, from and against any and all Claims arising from or relating to any bad faith, negligence, willful misconduct, improper or unethical practice, infringement of intellectual property rights, breach of fiduciary duty, breach of trust, breach of confidentiality, breach of Agreement, violation of any Legal Requirement, or any other act or omission of or by Manager or any of its Agents acting in connection with this Management Agreement. This indemnification shall survive any termination of this Management Agreement. The System shall not provide such indemnification to Manager.

## **18. Manager's Representations, Warranties, and Covenants**

Manager acknowledges, represents, warrants, covenants, and agrees to the following provisions:

- A. Authorization.** Manager has duly authorized, executed, and delivered this Management Agreement, and this Management Agreement constitutes the legal, valid, and binding agreements and obligations of Manager, enforceable against Manager in accordance with its terms, except insofar as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, or other similar limitations on creditors' rights generally and general principles of equity. Manager is not subject to or obligated under any law, rule, or

regulation of any governmental authority, or any order, injunction, or decree, or any agreement that would be breached or violated by Manager's execution, delivery, or performance of this Management Agreement.

- B. Quality of Services.** All services that Manager provides hereunder shall meet the requirements and standards set forth in the body of this Management Agreement and any exhibits, schedules, and appendices attached hereto. At the System's request, Manager shall promptly correct any errors or omissions in the provision of such services.
- C. Contingent Fees.** Manager has not employed or retained any person or selling agency to solicit or secure this Management Agreement under any agreement or understanding for a commission, percentage, brokerage, or contingent fee, except for bona fide employees of Manager and Manager's affiliates or bona fide established commercial or selling agencies maintained by Manager for the purpose of securing business. If Manager in any way breaches or violates this warranty, the System shall have the right to immediately terminate this Management Agreement for default and, in the System's sole discretion, to deduct from Manager's compensation under this Management Agreement, or to otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.
- D. Gratuities.** Manager has not offered or given any gratuities in the form of gifts, entertainment or otherwise, to any officer, fiduciary, or employee of the System or the State of Indiana with a view toward securing this Management Agreement or securing any favorable determination made concerning the award of this Management Agreement. Manager covenants that no such gratuities will be given to any such person with a view toward securing any favorable treatment concerning the performance and/or continuation of this Management Agreement. If it is found that Manager has offered or given such gratuities, the System may terminate this Management Agreement upon one (1) calendar day's written notice.
- E. Intellectual Property.** In connection with its performance under this Management Agreement, Manager shall not knowingly develop, provide, or use any program, process, composition, writing, equipment, appliance, or device, or any trademark, service mark, logo, idea, or any other work or invention of any nature, or any other tangible or intangible assets that infringe or will infringe on any patent, copyright, or trademark of any other person or entity, or is or will be a trade secret of any other person or entity.
- F. Annual Documents.** Annually, Manager shall provide the System with copies of its opinion letter from its auditor and its ADV Part II.
- G. Changes.** Manager shall notify the System in writing within three (3) business days of any of the following changes:
  - i.** Manager becomes aware that any of its representations, warranties, and covenants set forth herein cease to be materially true at any time during the term of this Management Agreement;
  - ii.** There is any material change in Manager's senior personnel assigned to perform services under this Management Agreement;
  - iii.** There is any change in control of Manager; or

- iv. Manager becomes aware of any other material change in its portfolio management structure or its business organization, including without limitation the filing for bankruptcy relief.

**H. Investigations and Complaints.** To the extent permitted by applicable law, Manager shall promptly advise the System in writing of any ordinary investigation, examination, complaint, disciplinary action, or other proceeding relating to or affecting Manager's ability to perform its duties under this Management Agreement that is commenced by any of the following:

- i. The Securities and Exchange Commission of the United States (the "SEC");
- ii. The New York Stock Exchange;
- iii. The American Stock Exchange;
- iv. The National Association of Securities Dealers;
- v. Any Attorney General or any regulatory agency of any state of the United States;
- vi. Any U. S. Government department or agency; or
- vii. Any governmental agency regulating securities of any country in which Manager is doing business. Except as otherwise required by law, the System shall maintain the confidentiality of all such information until the investigating entity makes the information public.

**I. Registered Investment Advisor.** Manager hereby represents that it is registered as an investment advisor with the SEC under the Investment Advisers Act of 1940, as amended ("Advisers Act"), unless exempted from registration by the SEC. Manager shall immediately notify the System if at any time during the term of this Management Agreement it is not so registered or if its registration is suspended.

**J. Investment Manager.** Manager hereby represents that it is an "Investment Manager" as that term is defined in Section 3(38) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), for the System with respect to the Managed Assets allocated to Manager for investment, and that Manager will maintain that status as long as this Management Agreement is in effect, it being understood that, for the avoidance of doubt, the Management Assets are not "plan assets" subject to ERISA.

**K. Manager's Agents.** The Agents of Manager who will be responsible for performing under this Management Agreement are individuals experienced in the performance of the various functions contemplated by this Management Agreement and have not been convicted of any felony, found liable in any civil or administrative proceeding, or pleaded no contest or agreed to any consent decree with respect to any matter involving breach of trust, breach of fiduciary duty, fraud, securities law violations, or bankruptcy law violations.

**L. Placement Agents.** Manager confirms that no placement agent fees have been paid in connection with the investment by the System, except as disclosed in writing in the Placement Agent Disclosure Letter attached hereto as Exhibit F.

**M. Disclosure Statement.** Manager warrants that it has delivered to the System its Disclosure Statement. The System acknowledges that it has received such Disclosure Statement.

Manager understands and agrees that the System has relied upon the foregoing acknowledgments, representations, warranties, covenants, and agreements and that the same constitute a material inducement to the System's decision to enter into this Management Agreement.

## **19. Liability Insurance**

Manager shall provide proof of insurance coverage as set out in this Section. The intent of the required insurance is to protect the System and the State of Indiana from any claims, suits, actions, costs, damages, or expenses arising from any negligent or intentional act or omission of Manager or subcontractor, or their Agents, while performing under the terms of this Management Agreement.

Manager shall provide proof of insurance coverage, and such insurance coverage shall be maintained in full force and effect during the term of this Management Agreement, as follows:

**A. Commercial General Liability Insurance Policy.** Commercial General Liability Insurance Policy, including contractual liability, in adequate quantity to protect against legal liability arising out of contract activity, but in no event less than \$5 million per occurrence and \$25 million general aggregate limit. Additionally, Manager is responsible for ensuring that any subcontractors obtain adequate insurance coverage for the activities arising out of subcontracts. All insurance shall cover liability arising out of premises, operations, independent contractors, personal injury, and liability assumed under a contract.

**B. Professional Liability Insurance.** Such coverage shall cover loss resulting from Manager's rendering or failing to render professional services. Manager shall maintain this coverage with minimum limits of no less than \$5 million per claim, as applicable. If this policy is a "claims made" policy, Manager shall purchase a "tail" that extends the coverage for at least one year from the expiration of this Management Agreement. If defense costs are paid within the limit of liability, Manager shall maintain limits of \$5 million per incident, loss, or person, as applicable. If the policy contains a general aggregate or policy limit, then it shall be at least two (2) times the incident, loss, or personal limit.

**C. Financial Institutions Blanket Fidelity Bond.** Provide a fidelity bond(s) or insurance policy(ies) in adequate quantity to protect against legal liability arising out of Management Agreement activity, but no less than \$3 million per occurrence and an aggregate limit, if any, of not less than \$3 million for the following circumstances:

- i. Fidelity Loss.** Loss resulting directly from dishonest or fraudulent acts committed by an employee of the Manager acting alone or in collusion with others.
- ii. Physical Loss.** Loss by reason of the physical loss of, or damage to, or unexplained disappearance of the System funds, assets, or other property under the control of Manager within any premises, wherever located, or while in transit.

- iii. Forged Instruments. Loss by reason of forgery or alteration of negotiable instruments, certificates of deposit, or letters of credit.
- iv. Computer Manipulation. Loss by reason of a dishonest or fraudulent act or computer manipulation that was committed by any employee of Manager.

The insurance coverage required shall be issued by an insurance company or companies authorized to do business within the State of Indiana, and shall name the State of Indiana and its agents and employees, as well as the System and its agents and employees as additional insureds, where appropriate. All policies shall be primary to any other valid and collectable insurance. Manager shall instruct the insurers to give the System thirty (30) days advance notice of any insurance cancellation.

Manager shall submit to the System fifteen (15) days prior to the Management Agreement's effective date certificates of insurance that outline the coverage and limits defined in this Section and demonstrate that such limits and coverage have been met or exceeded. Certificates of insurance that are accepted by the System shall be incorporated as part of this Management Agreement. Manager shall submit renewal certificates as appropriate during the term of the Management Agreement or as requested by the System. Manager shall promptly give the System notice of the cancellation of any policy for which a certificate of insurance or renewal certificate has been submitted to the System. Such notice of cancellation shall be as far in advance of such cancellation as possible.

By requiring insurance coverage, the System does not represent that coverage and limits will be adequate to protect Manager or the System, and such coverage and limits shall not limit Manager's liability under this Management Agreement.

Failure of Manager to obtain and maintain the required insurance is a material breach of this Management Agreement, which may result in termination of this Management Agreement for cause, at the System's option.

## **20. Replacement of Manager's Agents**

Upon demand by the System, Manager shall replace any Agent assigned to perform services under this Management Agreement who the System determines is unable to effectively execute the responsibilities required by this Management Agreement.

## **21. Record Retention and Inspection**

- A. Record Maintenance.** Manager and its sub-Managers, if any, shall keep and maintain all records related to the Managed Assets, including, but not limited to, any System Records, according to Manager's record retention standards. Manager shall keep and maintain System Records according to Manager's record retention schedule in accordance with applicable law, including Indiana's public records retention schedule.
- B. Record Review and Audit.** Manager agrees that the System, or any duly authorized representative of the System, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any System Records at any time during the term of this Management Agreement or at any time in accordance with applicable law, including Indiana's public records retention schedule. Upon the System's request and on reasonable notice, Manager

shall make such records available for review during normal business hours at Manager's business office. Manager shall make the persons responsible for creating and maintaining System Records available to the System during such review for the purpose of responding to the System's reasonable inquiries. If the System requests copies of System Records, copies shall be furnished by Manager, at no cost to the System.

## **22. Confidentiality**

Manager understands and agrees that information, data, and materials disclosed to Manager by or on behalf of the System or any of its members, participants, employees, customers, or third party service providers may contain confidential and protected information; therefore, Manager promises and assures that data, materials, and information gathered, based upon, or disclosed to Manager for the purpose of this Management Agreement will be treated as confidential and will not be disclosed to or discussed with other parties without the prior written consent of the System.

The parties acknowledge that the services to be performed by Manager for the System under this Management Agreement may require or allow access to data, materials, and information containing Social Security numbers or other personal information maintained by the System in its computer system or other records. In addition to the covenant made above in this section and pursuant to 10 IAC 5-3-1(4), Manager and the System agree to comply with the provisions of IC § 4-1-10 *et seq.* and IC § 4-1-11 *et seq.* If any Social Security number(s) or personal information (as defined in IC § 4-1-11-3) is/are disclosed by Manager as a result of Manager's error, Manager agrees to pay all commercially-reasonable costs associated with the disclosure, including, but not limited to, any costs associated with distributing a notice of disclosure of a breach of the security of the system, in addition to any other claim and expenses for which it is liable under the terms of the Management Agreement.

## **23. Force Majeure; Suspension and Termination**

In the event that either party is unable to perform any of its obligations under this Management Agreement or to enjoy any of its benefits because of natural disaster, actions, or decrees of governmental bodies, or communication line failure not the fault of the affected party ("Force Majeure Event"), the party who has been so affected shall immediately give notice to the other party and shall do everything possible to resume performance.

## **24. Renewal Option**

This Management Agreement may be renewed by the System in any manner authorized by law.

## **25. Nondiscrimination**

Pursuant to IC § 22-9-1-10 and the Civil Rights Act of 1964, Manager and its Agents, if any, shall not discriminate against any employee or applicant for employment in the performance of this Management Agreement. Manager shall not discriminate with respect to the hire, tenure, terms, conditions, or privileges of employment or any matter directly or indirectly related to employment, because of race, color, religion, sex, disability, national origin, or ancestry. Breach of this covenant may be regarded as a material breach of Agreement. Acceptance of this Management Agreement also signifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination in the provision of services based on race, color, national origin, age, sex, disability, or status as a veteran.

Manager covenants that it does not and shall not operate any programs or engage in any practices promoting Diversity, Equity, and Inclusion (DEI), or other similar goals, that violate Indiana or Federal Civil Rights Laws by treating a person differently on the basis of race or sex, such as by considering race or sex when making recruitment, hiring, disciplinary, promotion, or employment decisions; requiring

employees to participate in training or educational programs that employ racial or sex stereotypes; or attempting to achieve racial or sex balancing in the Manager's workforce. The Parties agree that a breach of this subparagraph is a material breach of this Contract, including for purposes of Indiana Code § 5-11-5.5-2, but nothing in this paragraph shall be construed to imply or establish an employment relationship between the State and any applicant or employee of the Manager or any subcontractor.

## **26. Conflict of Interest, Compliance with Laws, and Ethics**

### **A. Conflict of Interest**

1. As used in this section:

- a. "Immediate family" means the spouse and the unemancipated children of an individual.
- b. "Interested party" means:
  - i. The individual executing this Management Agreement;
  - ii. An individual who has an interest of three percent (3%) or more in Manager, if Manager is not an individual; or
  - iii. Any member of the immediate family of an individual specified under subdivision (i) or (ii).
- c. "Department" means the Indiana Department of Administration.
- d. "Commission" means the Indiana State Ethics Commission.

2. The System may cancel this Management Agreement without recourse by Manager if any interested party is an employee of the System.

3. The System will not exercise its right of cancellation under subsection 2 above if Manager gives the System an opinion by the Commission indicating that the existence of this Management Agreement and the employment by the System of the interested party does not violate any statute or rule relating to ethical conduct of the System employees. The System may take action, including cancellation of this Management Agreement, consistent with an opinion of the Commission obtained under this section.

4. Manager has an affirmative obligation under this Management Agreement to disclose to the System when an interested party is or becomes an employee of the System. The obligation under this section extends only to those facts that Manager knows or reasonably could know.

### **B. Laws and Ethics**

1. Manager shall comply with all applicable federal, state, and local laws, and rules, regulations, and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment of any state or federal statute or the promulgation of rules or regulations thereunder after execution of this Management Agreement shall be reviewed by the System and Manager to determine whether the provisions of this Management Agreement require formal modification.

2. Manager and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the System as set forth in IC § 4-2-6 *et seq.*, IC § 4-2-7, *et seq.*,

the regulations promulgated thereunder, and Executive Order 04-08, dated April 27, 2004, and reaffirmed under Executive Order 05-12, dated January 10, 2005. If Manager is not familiar with these ethical requirements, Manager should refer any questions to the Indiana State Ethics Commission, or visit the Indiana State Ethics Commission Web site at <http://www.in.gov/ethics/>. If Manager or its Agents violate any applicable ethical standards, the System may, in its sole discretion, terminate this Management Agreement immediately upon notice to Manager. In addition, Manager may be subject to penalties under IC §§ 4-2-6 and 4-2-7. Manager has an affirmative obligation under this Management Agreement to disclose to the System when any System employee, their spouse or dependent children has a pecuniary interest in or derives a profit from this Management Agreement. The obligation under this section extends only to those facts that Manager knows or reasonably could know.

3. Manager certifies that it, its agents, affiliates, subsidiaries, and holding companies shall abide by Executive Order 25-64, dated April 21, 2025, and that neither it, nor any of its agents, affiliates, subsidiaries, or holding companies is:

4. Manager certifies by entering into this Management Agreement that neither it nor its principal(s) is presently in arrears in payment of taxes, permit fees, or other statutory, regulatory, or judicially-required payments to the State of Indiana. Manager agrees that any payments currently due to the State may be withheld from payments due to Manager. Additionally, further work or payments may be withheld, delayed, or denied and/or this Management Agreement suspended until Manager is current in its payments and has submitted proof of such payment to the State.

5. Manager warrants that it has no current, pending, or outstanding criminal, civil, or enforcement actions initiated by the State, and agrees that it will immediately notify the System of any such actions. During the term of such actions, Manager agrees that the System may delay, withhold, or deny work under any supplement, amendment, change order, or other contractual device issued pursuant to this Management Agreement.

6. If a valid dispute exists as to Manager’s liability or guilt in any action initiated by the State or its agencies, and the System decides to delay, withhold, or deny work to Manager, Manager may request that it be allowed to continue, or receive work, without delay. Manager must submit, in writing, a request for review to the System. A determination by the System shall be binding.

7. Any payments that the System may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest under IC § 5-17-5.

8. Manager warrants that Manager and its sub-Managers, if any, shall obtain and maintain all required permits, licenses, registrations, and approvals, as well as comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the System. Failure to do so may be deemed a material breach of this Management Agreement and grounds for immediate termination and denial of further work with the System.

**9.** Manager affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.

**10.** As required by IC § 5-22-3-7:

**a.** Manager and any principals of Manager certify that

**i.** Manager, except for de minimis and nonsystematic violations, has not violated the terms of IC § 24-4.7 [Telephone Solicitation Of Consumers], IC § 24-5-12 [Telephone Solicitations], or IC 24-5-14 [Regulation of Automatic Dialing Machines] in the previous three hundred sixty-five (365) days, even if IC § 24-4.7 is preempted by federal law; and

**B.** Manager agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all its responsibilities under this Management Agreement which are not affected by the dispute. Should Manager fail to continue without delay to perform its responsibilities under this Management Agreement in the accomplishment of all non-disputed work, any additional costs incurred by Manager or the System as a result of such failure to proceed shall be borne by Manager, and Manager shall make no claim against the State of Indiana for such costs. If Manager and the System cannot resolve a dispute, the parties may mutually agree to submit the dispute to arbitration for a determination, or otherwise the dispute shall be submitted to an Indiana court of competent jurisdiction.

C. The System may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the System to Manager of up to three invoices not in dispute in accordance with the terms of this Management Agreement will not be cause for Manager to terminate this Management Agreement, and Manager may bring suit to collect without following the disputes procedure contained herein.

### **36. Assignment and Delegation**

This Management Agreement and any of the rights or duties hereunder may not be assigned or delegated by Manager without the prior written consent of the System, consent which may be granted or withheld in the System's sole discretion. ### **38. Drug-Free Workplace Certification**

Manager certifies and agrees that it will provide a drug-free workplace by:

Notwithstanding the provisions contained in IC § 5-17-5, any liability resulting from the System's failure to make prompt payment shall be based solely on the amount of funding originating from the System and shall not be based on funding from federal or other sources.
