## Pull Back the Curtain and Examine the Intersection between Law & Medicine.

Join us for an immersive, full day training in Downtown Indianapolis. Experts from Zero Abuse Project will collaborate with Forensic Nurses from throughout the State of Indiana to educate participants on best practices from investigation to adjudication.

### Highlights

- Anatomy of a Criminal Case
- Prescription for Justice: Testifying for Medical Professionals
- Testimony and the Medical Perspective
- Testifying Demonstration
- Testimony Exercises, including Mock Direct & Cross - Examination
- Q&A with an Expert Panel of Forensic Nurses

### Intended Audience

Forensic Nurses, Medical Professionals, Law Enforcement Personnel, Attorneys, & Victim Service Workers

### Event Co-Sponsors

Indiana Continuing Legal Education (CLE) and ANCC contact hours have been submitted for attorneys, law enforcement personnel, nurses, and others. The IU Health and IU School of Nursing Academic-Practice Partnership for Forensic Nursing Training, Practice, and Retention is a grant-funded program, awarded by the Health Resources and Services Administration (HRSA). These training opportunities are funded by HRSA Grant #T96HP53171
