INDIANA COVERT DRUG INVESTIGATION SCHOOL

Formerly Indiana Top Gun

The Indiana State Police in partnership with the Indiana Prosecuting Attorneys Council (IPAC), will be hosting the seventh Indiana Top Gun School, now named the **Indiana Covert Drug Investigation School**. The school will take place at Camp Atterbury, Edinburgh, **August 21 through August 27, 2016**. The week-long course provides the covert investigator, unit supervisor and prosecuting attorney with training on investigative techniques, surveillance operations, raid preparation and execution, interview and interrogation, managing confidential informants, court preparation, and many other related drug investigative topics. This school will be devoted exclusively to the Indiana law enforcement community.

This training employs a mix of mediums to enhance learning. The course is built around lectures, straightforward fact scenario, mini workgroups, and hands-on practical applications. The training is designed to be interactive among the participants. The course is intended for drug investigators and prosecutors with 1-5 years of drug enforcement experience and is also beneficial to uniformed personnel in order to see how their efforts directly affect the follow-up investigation by investigators.

There is **NO COST** for this training. Tuition, lodging, meals and instructional materials will be provided by IPAC. The only expense to the student is transportation to and from Camp Atterbury, which is near Edinburgh, Indiana. Students will report to the school Sunday, August 21, 2016, and must remain at the school until noon on Saturday, August 27, 2016.
