

The National Domestic Communications

Assistance Center  
and the  
Indiana State Police  
present

## Gathering Evidence from Today's Communication Technologies

Participants will be introduced to the NDCAC and the resources and services offered to its clients. The class includes a tour of the secured NDCAC Law Enforcement Portal, demonstrations of their FREE, downloadable tools, discusses additional classes offered, and concludes with a case demonstration that highlights the functions of its resources.

**December 3, 2024**

8:00am - 4:30pm

**ISP ICAC Offices**

**8468 E. 21st St**

**Indianapolis, IN 46219**

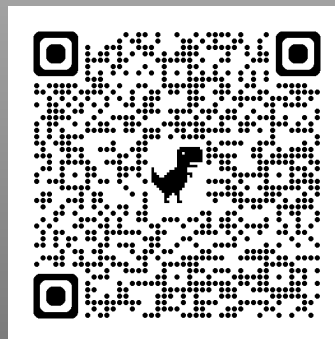

POC: Walter O'Neal
