

Indiana Prosecutors Protect Hoosier Children

A photograph of five diverse children of various ethnicities holding hands and running on a grassy lawn. From left to right: a young girl in a white dress, a girl in an orange outfit, a girl in a pink top and blue pants, a boy in a green polo shirt and plaid shorts, and a girl in a peach shirt and blue skirt. The background shows trees and a fence.

**Your Prosecutor
safeguards our most vulnerable citizens**

- **Let's keep children safe from drugs and drug dealers!**
- **Let's put a stop to the dangers of heroin and meth!**
- **Let's seek justice against those who harm children!**

Hoosier Children

deserve better protection under our laws!

- Penalties for producing and possessing child pornography are too low
- Nearly 1/3 of Indiana meth lab busts had children present

Exposure to meth labs is an unacceptable risk to the health and safety of Hoosier children!

Meth lab numbers can be reduced by making pseudophedrine prescription only!

- Children are at risk from drugs and drug dealers
- Drug laws must be strengthened to keep children safe!
