

Region 10 Environmental Scan

The following assets represent the existing organizations, initiatives, and investments that are fueling workforce and educational development in Region 10 within the Pre-K to Career continuum. Assessing all of the current educational and employment assets within Region 10 is the first step towards effectively leveraging resources in order to cultivate a stronger regional workforce.

Pre-K – 12 Assets

School Districts/Corporations ▫ Career & Technical Education ▫ Jobs for America’s Graduates ▫ Head Start ▫ Child Care Center ▫ School Age Program

A student’s career trajectory begins long before searching for their first job. Pre-K through high school education lays the foundation for success, both through in-school programming like Career and Technical Education, and various extracurricular activities. Each plays an important role in a student’s educational and personal development.
