Cancellations and Transfers
Because space is limited, there is a non-refundable fee of $250 applied to all applicants canceling their ATLS® course registration. In the event that an applicant needs to transfer from an already scheduled course, an additional fee of $200 will be accessed for this student.

ABSOLUTELY NO REFUND WILL BE GIVEN TO ANY APPLICANT WISHING TO WITHDRAW LESS THEN 5 DAYS PRIOR TO THE COURSE DATE.
The St. Mary’s Advanced Trauma Life Support® course is designed for primary care physicians, surgeons, emergency medicine physicians, and physician extenders who care for trauma patients in the realm of practice.

The ATLS® course is designed to reduce morbidity and mortality rates for trauma patients. The purpose of this course is for participants to be familiar with the initial assessment and management of the trauma patient.

Lectures are given in the morning and practical skills stations are reserved for the afternoon. Lectures include Airway and Ventilation, Thoracic Trauma Management, Abdominal Trauma Management, Spine and Spinal Cord Trauma, Musculoskeletal Trauma, Injury Due to Heat and Cold, Shock Management, Initial Assessment, Head Trauma Management, Injuries Due to Burns and Cold, Pediatric Trauma, Geriatric Trauma, Trauma in Women, and Stabilization and Transport.

Courses will be held on the campus of St. Mary’s Adult and Pediatric Trauma Center, located at 3700 Washington Ave, Evansville, Indiana. Lectures will be presented in the Amphitheater. Skill stations will be located in the classrooms on the lower level.

Continuing Medical Education
The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The American College of Surgeons designates this live activity for a maximum of (see below) AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Of the AMA PRA Category 1 Credits™ listed above, a maximum of (see below) credits meet the requirements for Self-Assessment.

Course Objective
Upon completion of the ATLS® program, the physician will be able to:
• Demonstrate concepts and principles of primary and secondary patient assessment.
• Establish management priorities in a trauma situation.
• Initiate primary and secondary management necessary in the early hours of emergency care.
• Demonstrate skills used in the initial assessment and management of the patient with multiple trauma.

Americans with Disabilities
The American College of Surgeons’ ATLS® Program complies with the Americans with Disabilities Act (ADA). Any person who needs accommodations under ADA should contact the Course Coordinator:

Mary Raley at 812.485.6827.
