

Baby Behavior 101

Improving Breastfeeding Rates by Teaching Parents to
Better Understand their Infant's behavior

Jane Heinig, PhD, IBCLC

secretsofbabybehavior.com

August 23, 2012

Dr. Jane Heinig is a research scientist in the Department of Nutrition at UC Davis and an International Board Certified Lactation Consultant (for more than 15 years) specializing in maternal child nutrition and public health. She is the Executive Director of the UC Davis Human Lactation Center and the former Editor-in-Chief of the Journal of Human Lactation.

The Indiana State WIC Breastfeeding Committee is proud to bring Dr. Heinig to come speak about Baby Behavior. Topics include infant states, infant cues, sleep and crying, counseling, WIC behavior materials, classes and group education. It is designed for anyone who works with mothers and babies.
