Form CMS-671 (12/02)
GENERAL INSTRUCTIONS AND DEFINITIONS
(use with CMS-671 Long Term Care Facility Application for Medicare and Medicaid)

This form is to be completed by the Facility

For the purpose of this form “the facility” equals certified beds (i.e., Medicare and/or Medicaid certified beds).

INSTRUCTIONS AND DEFINITIONS

Name of Facility - Use the official name of the facility for business and mailing purposes. This includes components or units of a larger institution.

Provider Number - Leave blank on initial certifications. On all recertifications, insert the facility's assigned six-digit provider code.

Street Address - Street name and number refers to physical location, not mailing address, if two addresses differ.

City - Rural addresses should include the city of the nearest post office.

County - County refers to parish name in Louisiana and township name where appropriate in the New England States.

State - For U.S. possessions and trust territories, name is included in lieu of the State.

Telephone Number - Include the area code.

State/County Code - LEAVE BLANK - State Survey Office will complete.

State/Region Code - LEAVE BLANK - State Survey Office will complete.

Block F9 - Enter either 01 (SNF), 02 (NF), or 03 (SNF/NF).

Block F10 - If the facility is under administrative control of a hospital, check "yes," otherwise check "no."

Block F11 - The hospital provider number is the hospital's assigned six-digit Medicare provider number.

Block F12 - Identify the type of organization that controls and operates the facility. Enter the code as identified for that organization (e.g., for a for profit facility owned by an individual, enter 01 in the F12 block; a facility owned by a city government would be entered as 09 in the F12 block).

Definitions to determine ownership are:

FOR PROFIT - If operated under private commercial ownership, indicate whether owned by individual, partnership, or corporation.

NONPROFIT - If operated under voluntary or other nonprofit auspices, indicate whether church related, nonprofit corporation or other nonprofit.

GOVERNMENT - If operated by a governmental entity, indicate whether State, City, Hospital District, County, City/County, or Federal Government.

Block F13 - Check "yes" if the facility is owned or leased by a multi-facility organization, otherwise check "no." A Multi-Facility Organization is an organization that owns two or more long term care facilities. The owner may be an individual or a corporation. Leasing of facilities by corporate chains is included in this definition.

Block F14 - If applicable, enter the name of the multi-facility organization. Use the name of the corporate ownership of the multi-facility organization (e.g., if the name of the facility is Soft Breezes Home and the name of the multi-facility organization that owns Soft Breezes is XYZ Enterprises, enter XYZ Enterprises).

Block F15 – F23 - Enter the number of beds in the facility's Dedicated Special Care Units. These are units with a specific number of beds, identified and dedicated by the facility for residents with specific needs/diagnoses. They need not be certified or recognized by regulatory authorities. For example, a SNF admits a large number of residents with head injuries. They have set aside 8 beds on the north wing, staffed with specifically trained personnel. Show "8" in F19.

Block F24 - Check "yes" if the facility currently has an organized residents' group, i.e., a group(s) that meets regularly to discuss and offer suggestions about facility policies and procedures affecting residents' care, treatment, and quality of life; to support each other; to plan resident and family activities; to participate in educational activities or for any other purposes; otherwise check "no."

Block F25 - Check "yes" if the facility currently has an organized group of family members of residents, i.e., a group(s) that meets regularly to discuss and offer suggestions about facility policies and procedures affecting residents' care, treatment, and quality of life; to support each other; to plan resident and family activities; to participate in educational activities or for any other purposes; otherwise check "no."
### GENERAL INSTRUCTIONS AND DEFINITIONS

(Use with CMS-671 Long Term Care Facility Application for Medicare and Medicaid)

**Block F26** - Check "yes" if the facility conducts experimental research; otherwise check "no." Experimental research means using residents to develop and test clinical treatments, such as a new drug or therapy, that involves treatment and control groups. For example, a clinical trial of a new drug would be experimental research.

**Block F27** - Check "yes" if the facility is part of a continuing care retirement community (CCRC); otherwise check "no." A CCRC is any facility which operates under State regulation as a continuing care retirement community.

**Blocks F28 – F31** - If the facility has been granted a nurse staffing waiver by CMS or the State Agency in accordance with the provisions at 42CFR 483.30(c) or (d), enter the last approval date of the waiver(s) and report the number of hours being waived for each type of waiver approval.

**Block F32** - Check "yes" if the facility has a State approved Nurse Aide Training and Competency Evaluation Program; otherwise check "no."

#### FACILITY STAFFING

**GENERAL INSTRUCTIONS**

This form requires you to identify whether certain services are provided and to specify the number of hours worked providing those services. Column A requires you to enter "yes" or "no" about whether the services are provided onsite to residents, onsite to nonresidents, and offsite to residents. Columns B-D require you to enter the specific number of hours worked providing the service. To complete this section, base your calculations on the staff hours worked in the most recent complete pay period. If the pay period is more than 2 weeks, use the last 14 days. For example, if this survey begins on a Tuesday, staff hours are counted for the previous complete pay period.

**Definition of Hours Worked** - Hours are reported rounded to the nearest whole hour. Do not count hours paid for any type of leave or non-work related absence from the facility. If the service is provided, but has not been provided in the 2-week pay period, check the service in Column A, but leave B, C, or D blank. If an individual provides service in more than one capacity, separate out the hours in each service performed. For example, if a staff person has worked a total of 80 hours in the pay period but has worked as an activity aide and as a Certified Nurse Aide, separately count the hours worked as a CNA and hours worked as an activity aide to reflect but not to exceed the total hours worked within the pay period.

**Completion of Form**

**Column A - Services Provided** - Enter Y (yes), N (no) under each sub-column. For areas that are blocked out, do not provide the information.

**Column A-1** - Refers to those services provided onsite to residents, either by employees or contractors.

**Column A-2** - Refers to those services provided onsite to non-residents.

**Column A-3** - Refers to those services provided to residents offsite/or not routinely provided onsite.

**Column B - Full-time staff, C - Part-time staff, and D - Contract** - Record hours worked for each field of full-time staff, part-time staff, and contract staff (do not include meal breaks of a half an hour or more). Full-time is defined as 35 or more hours worked per week. Part-time is anything less than 35 hours per week. Contract includes individuals under contract (e.g., a physical therapist) as well as organizations under contract (e.g., an agency to provide nurses). If an organization is under contract, calculate hours worked for the individuals provided. Lines blocked out (e.g., Physician services, Clinical labs) do not have hours worked recorded.

**REMEMBER** - Use a 2-week period to calculate hours worked.

**DEFINITION OF SERVICES**

Nondiscrimination Policies and Notices

The regulations implementing Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975 require health and human service providers that receive Federal financial assistance from the Department of Health and Human Services to provide notice to patients/residents, employees, and others of the availability of programs and services to all persons without regard to race, color, national origin, disability, or age.

Applicable Regulatory Citations:

Title VI of the Civil Rights Act of 1964: 45 CFR Part 80

§80.6(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this regulation and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible Department official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this regulation.

Section 504 of the Rehabilitation Act of 1973: 45 CFR Part 84

§ 84.8 Notice. (a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504 and this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its programs and activities. The notification shall also include an identification of the responsible employee designated pursuant to §84.7(a). A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publication, and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

Age Discrimination Act: 45 CFR Part 91

§ 91.32 Notice to subrecipients and beneficiaries. (b) Each recipient shall make necessary information about the Act and these regulations available to its program beneficiaries in order to inform them about the protections against discrimination provided by the Act and these regulations.

See Policy Example Section for examples of Nondiscrimination Policies.
Communication with Persons Who Are Limited English Proficient

In certain circumstances, the failure to ensure that Limited English Proficient (LEP) persons can effectively participate in, or benefit from, federally-assisted programs and activities may violate the prohibition under Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, and the Title VI regulations against national origin discrimination. Specifically, the failure of a recipient of Federal financial assistance from HHS to take reasonable steps to provide LEP persons with a meaningful opportunity to participate in HHS-funded programs may constitute a violation of Title VI and HHS’s implementing regulations. It is therefore important for recipients of Federal financial assistance, including Part A Medicare providers, to understand and be familiar with the requirements.

(ii) Provide any service, financial aid, or other benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to be afforded an opportunity to participate in such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respect individuals of a particular race, color, or national origin.

Requirements for Facilities with 15 or More Employees

Applicable Regulatory Citations:

Section 504 of the Rehabilitation Act of 1973:

45 CFR Part 84§84.7 Designation of responsible employee and adoption of grievance procedures.

(a) Designation of responsible employee. A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) Adoption of grievance procedures. A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to postsecondary educational institutions.
Age Discrimination Act Requirements

The Office for Civil Rights (OCR) of the Department of Health and Human Services (HHS) has the responsibility for the Age Discrimination Act as it applies to Federally funded health and human services programs. The general regulation implementing the Age Discrimination Act requires that age discrimination complaints be referred to a mediation agency to attempt a voluntary settlement within sixty (60) days. If mediation is not successful, the complaint is returned to the responsible Federal agency, in this case the Office for Civil Rights, for action. OCR next attempts to resolve the complaint through informal procedures. If these fail, a formal investigation is conducted. When a violation is found and OCR cannot negotiate voluntary compliance, enforcement action may be taken against the recipient institution or agency that violated the law.

The Age Discrimination Act permits certain exceptions to the prohibition against discrimination based on age. These exceptions recognize that some age distinctions in programs may be necessary to the normal operation of a program or activity or to the achievement of any statutory objective expressly stated in a Federal, State, or local statute adopted by an elected legislative body.

Applicable Regulatory Citations:

45 CFR Part 91: Nondiscrimination on the Basis of Age in Programs or Activities Receiving Federal Financial Assistance From HHS

§ 91.3 To what programs do these regulations apply?

(a) The Act and these regulations apply to each HHS recipient and to each program or activity operated by the recipient which receives or benefits from Federal financial assistance provided by HHS.
(b) The Act and these regulations do not apply to:
(1) An age distinction contained in that part of a Federal, State, or local statute or ordinance adopted by an elected, general purpose legislative body which:
   (i) Provides any benefits or assistance to persons based on age; or
   (ii) Establishes criteria for participation in age-related terms; or
   (iii) Describes intended beneficiaries or target groups in age-related terms.

Subpart B-Standards for Determining Age Discrimination

§ 91.11 Rule against age discrimination.

The rules stated in this section are limited by the exceptions contained in §§91.13 and 91.14 of these regulations.

(a) General rule: No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.
(b) Specific rules: A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual licensing, or other arrangements, use age distinctions or take any other actions which have the effect, on the basis of age, of:
(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under, a program or activity receiving Federal financial assistance.
(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.

(c) The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

§ 91.13 Exceptions to the rules against age discrimination: Normal operation or statutory objective of any program or activity.

A recipient is permitted to take an action, otherwise prohibited by § 91.11, if the action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity. An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if:

(a) Age is used as a measure or approximation of one or more other characteristics; and
(b) The other characteristic(s) must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity; and
(c) The other characteristic(s) can be reasonably measured or approximated by the use of age; and
(d) The other characteristic(s) are impractical to measure directly on an individual basis.

§ 91.14 Exceptions to the rules against age discrimination: Reasonable factors other than age.

A recipient is permitted to take an action otherwise prohibited by § 91.11 which is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

§ 91.15 Burden of proof.

The burden of proving that an age distinction or other action falls within the exceptions outlined in §§ 91.13 and 91.14 is on the recipient of Federal financial assistance.

Example of a Policy and Procedure for Providing Meaningful Communication with Persons with Limited English Proficiency

POLICY AND PROCEDURES FOR COMMUNICATION WITH PERSONS WITH LIMITED ENGLISH PROFICIENCY

POLICY:

(Insert name of your facility) will take reasonable steps to ensure that persons with Limited English Proficiency (LEP) have meaningful access and an equal opportunity to participate in our services, activities, programs and other benefits. The policy of (Insert name of your facility) is to ensure meaningful communication with LEP patients/clients and their authorized representatives involving their medical conditions and treatment. The policy also provides for communication of information contained in vital documents, including but not limited to, waivers of rights, consent to treatment forms, financial and insurance benefit forms, etc. (Include those documents applicable to your facility). All interpreters, translators and other aids needed to comply with this policy shall be provided without cost to the person being served, and patients/clients and their families will be informed of the availability of such assistance free of charge.

Language assistance will be provided through use of competent bilingual staff, staff interpreters, contracts or formal arrangements with local organizations providing interpretation or translation services, or technology and telephonic interpretation services. All staff will be provided notice of this policy and procedure, and staff that may have direct contact with LEP individuals will be trained in effective communication techniques, including the effective use of an interpreter.

(Insert name of your facility) will conduct a regular review of the language access needs of our patient population, as well as update and monitor the implementation of this policy and these procedures, as necessary.

PROCEDURES:

1. IDENTIFYING LEP PERSONS AND THEIR LANGUAGE

(Insert name of your facility) will promptly identify the language and communication needs of the LEP person. If necessary, staff will use a language identification card (or “I speak cards,” available online at www.lep.gov) or posters to determine the language. In addition, when records are kept of past interactions with patients (clients/residents) or family members, the language used to communicate with the LEP person will be included as part of the record.

(a) Maintaining an accurate and current list showing the name, language, phone number and hours of availability of bilingual staff (provide the list);

(b) Contacting the appropriate bilingual staff member to interpret, in the event that an interpreter is needed, if an employee who speaks the needed language is available and is qualified to interpret;

(c) Obtaining an outside interpreter if a bilingual staff or staff interpreter is not available or does not speak the needed language. (Identify the agency(s) name(s) with whom you have contracted or made arrangements) have/has agreed to provide qualified interpreter services. The agency’s (or agencies’) telephone number(s) is/are (insert number(s)), and the hours of availability are (insert hours).

However, family members or friends of the LEP person will not be used as interpreters unless specifically requested by that individual and after the LEP person has understood that an offer of an interpreter at no charge to the person has been made by the facility. Such an offer and the response will be documented in the person’s file. If the LEP person chooses to use a family member or friend as an interpreter, issues of competency of interpretation, confidentiality, privacy, and conflict of interest will be considered. If the family member or friend is not competent or appropriate for any of these reasons, competent interpreter services will be provided to the LEP person.

Children and other clients/patients/residents will not be used to interpret, in order to ensure confidentiality of information and accurate communication.

3. PROVIDING WRITTEN TRANSLATIONS

Example of a Section 504 Grievance Procedure that Incorporates Due Process Standards

Section 504 GRIEVANCE PROCEDURE

It is the policy of (insert name of facility/agency) not to discriminate on the basis of disability. (Insert name of facility/agency) has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) or the U.S. Department of Health and Human Services regulations implementing the Act. Section 504 states, in part, that "no qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives or benefits from Federal financial assistance." The Law and Regulations may be examined in the office of (insert name, title, tel. no. of Section 504 Coordinator), who has been designated to coordinate the efforts of (insert name of facility/agency) to comply with Section 504.

Any person who believes she or he has been subjected to discrimination on the basis of disability may file a grievance under this procedure. It is against the law for (insert name of facility/agency) to retaliate against anyone who files a grievance or cooperates in the investigation of a grievance.

Procedure:

Grievances must be submitted to the Section 504 Coordinator within (insert timeframe) of the date the person filing the grievance becomes aware of the alleged discriminatory action. A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.

The Section 504 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it must be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 504 Coordinator will maintain the files and records of (insert name of facility/agency) relating to such grievances.

The Section 504 Coordinator will issue a written decision on the grievance no later than 30 days after its filing.

The person filing the grievance may appeal the decision of the Section 504 Coordinator by writing to the (Administrator/Chief Executive Officer/Board of Directors/etc.) within 15 days of receiving the Section 504 Coordinator’s decision. The (Administrator/Chief Executive Officer/Board of Directors/etc.) shall issue a written decision in response to the appeal no later than 30 days after its filing.

The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U. S. Department of Health and Human Services, Office for Civil Rights.

(Insert name of facility/agency) will make appropriate arrangements to ensure that disabled persons are provided other accommodations if needed to participate in this grievance process. Such arrangements may include, but are not limited to, providing interpreters for the deaf, providing taped
cassettes of material for the blind, or assuring a barrier-free location for the proceedings. The Section 504 Coordinator will be responsible for such arrangements.
