RE: Final Adoption of Health Care Professional Recruitment and Retention Program Rule,  
410 IAC 23-2 (LSA Doc. #12-501)

The Indiana State Department of Health requests that the Executive Board, at the Board's March 13, 2013, meeting, finally adopt the proposed amendments to the Health Care Professional Recruitment and Retention Program rule, 410 IAC 23-2. The proposed rule amendments would clarify part-time services under the rule, and comply with IC 16-46-5-9 and federal laws and regulations as set forth in Section 338B of the Public Health Service Act (42 USC 2541-1), as amended, and Section 331(i) of the Public Health Service Act (42 USC 254d(i)), as amended.

A Notice of Intent was published on the Indiana Register Website on August 22, 2012, starting the one year period to adopt this rule amendment. The proposed rule was preliminarily adopted by the Executive Board at the November 14, 2012, meeting. No changes have been made to the rule.
