RE: Final Adoption of Weights and Measures Rule – 410 IAC 12-1 (LSA Document #13-455)

The Indiana State Department of Health (ISDH) requests that the Executive Board, at the Board's May 14, 2014 meeting, finally adopt the amendments to the weights and measures rule at 410 IAC 12-1.

The proposed amendments will update the rule to include the latest versions of the National Institute of Standards and Technology (NIST) handbooks to ensure consistency within Indiana and throughout the United States.

The Notice of Intent to Adopt a Rule was published in the Indiana Register on October 9, 2013, starting the one year period to adopt this rule. The proposed rule was preliminarily adopted by the Executive Board at the November 13, 2013 meeting. Although minor changes have been made, the rule has not substantively changed.
